The authority reserves the right to reject any or all tenders without assigning any reason thereof.

1.2 PERCENTAGE RATE CONTRACT :

As per works department letter No.17190 dtd. 9.10.07 the percentage rate contract is invited. The bidder shall quote rate on % (Percentage) basis only (% excess over / less than / equal) both in figure and words at appropriate place of Tender Schedule.

i) In case of percentage (%) rate tenders, only percentage quoted shall be considered. Percentage quoted by the contractor shall be accurately filled in figures and words, so that there is no discrepancy.

ii) If any discrepancy is found in the percentage quoted in words and figures, then the percentage quoted by the Contractor in words shall be taken as correct.

iii) If any discrepancy is found in the percentage quoted in percentage excess / less and total rate quoted by the Contractor, then Percentage will be taken as correct.

iv) The percentage quoted in the tender without mentioning excess or less and not supported with the corresponding amount will be treated as excess.

v) The percentage quoted in the tender without mentioning excess or less supported with the corresponding amount does not tally with either to percentage excess or less it will be treated as percentage excess.

vi) The percentage quoted in the tender without mentioning excess or less supported with the corresponding amount if tallied with the percentage then it will be treated as to which side the amount tallies.

vii) The tender shall be written legibly and free from erasures, over writings or corrections of figures, Corrections, over writing & interpolations where unavoidable should be made by making out, initialing, dating and rewriting.

viii) In the contract P1 time is the essence. The contractor is required to maintain a certain rate of progress specify in the contract.

ix) The quantity mentioned can be increased or reduced to the extent of 10% for individual items subject to a maximum of 5% over the estimated cost. If it exceeds the limit stated above prior approval of competent authority is mandatory before making any payment.

x) The period of completion is fixed and can not be altered except in case of exceptional circumstances with due approval of the next higher authority.

xi) Bills for percentage rate tenders shall be prepared at the estimated rates for individual items only and the percentage excess or less shall be added or subtract

1.3 TIME OF COMPLETION: -

The work is to be completed within 4 **(four) consecutive calendar months** commencing from the date of issue of order to proceed with the work.

2. PREBID INSPECTION BY CONTRACTORS: -

The tenders are required to go through each clause of P.W.D. form No. P-1 carefully in addition to clauses mentioned herein before tendering. In any case, the bidder shall be deemed to have carefully examined the tender documents, visited the site of work and its surroundings and satisfied himself as to the form and nature of the site approach roads, haul roads, local conditions assessed all the facilities including requirement and availability of labour and materials needed for complete execution of the work and made an inventory of such information as to the risks, contingencies and other circumstances which would influence or affect his tender, before tendering. He should also satisfy himself about the sufficiency of availability of materials in quarry and borrow area. The department will not be responsible for any misjudgment of the bidder on these accounts for any future claims.

3. VALIDITY OF TENDER: -

3.1. The Bid will be valid for a period of **90 (ninety)** days from the date of receipt of tender.

3.2. The tender which is not in the prescribed proforma and is not strictly in accordance with the terms and conditions of the tender call notice is liable for rejection.

3.3. Alternate tenders, conditional tenders and tenders containing indefinite terms will not be entertained.

The contractor will be responsible for payment of all royalties and other charges for quarrying materials. All local taxes inclusive of State Sales Tax and Income Tax, Cess, Octroi Charges, Ferry and Tollage charges are to be paid by the contractor. The bidder shall bear cost of various incidental sundries and contingencies necessitated by the work of all within the following or similar category.

i) Labour camps and hutments necessary to a suitable scale including conservancy and sanitary arrangements, medical aids thereon to the satisfaction of the health authorities.

ii) Labourer as well as for the works. No claim for carriage of water whatsoever will be entertained.

iii) Fees and dues levied by the Municipal, Canal and water supply Authorities.

iv) Suitable equipment and wearing apparatus for the labourers engaged in risky operation.

- v) Suitable fencing, barriers, signals, including parapet and electrical signal where necessary at works and
- vi) No compensation for any damage done by rain or by similarly action during execution of the work shall be paid.
- vii) The tender shall be written legibly and free from erasures, overwriting or correction of figures. Corrections unavoidable should be made by scoring out the same and initialing dating and rewriting.

3.6. The tender is to be decided as per prevailing codal provisions taking into consideration the capacity of the bidder and equipments available with him for the work. The authority reserves the right to reject any or all tenders without assigning any reason there to.

3.7. The percentage rates in the tender should be written both in words and figures and in case of any discrepancy, the percentage rates written in words will prevail.

4.1. AWARD OF CONTRACT : -

The bidder whose tender is selected for acceptance is to sign the agreement in the P.W.D. form P-1 (Schedule XLV. No. 61) for fulfillment of the contract in the office of the Chairman, RMC Bargarh. The Bidder is required to deposit 2% of the accepted tender before entering into agreement as the Initial Security Deposit. The earnest money deposited with the tender will form a part of the initial security deposit.

This security deposit will carry no interest. Failure to enter into the required agreement and to pay the security deposit as above within the specified period shall entail forfeiture of the earnest money. No tender shall be finally accepted until the required amount of security money is deposited. The written agreement to be entered into between the Contractor and the RMC shall be the foundation of the rights of both the parties and the contract shall be deemed to be incomplete until the agreement has first been signed by the Contractor and then by the Chairman RMC.

4.2. The work may be split up and distributed among several contractors if considered necessary, in urgency of circumstances of the work and the contractor will not be entitled to any compensation to this account.

4.3. In case of delay in acquisition of land, no compensation will be admissible but time extension will be granted.

4.4. The earnest money deposited by the unsuccessful bidders will be refunded as per relevant rules in force not earlier than the finalization of tender case.

4.5. No bidder is permitted to furnish their tender in their own manuscript paper.

5. OBSERVATIONS OF LAWS AND LOCAL REGULATIONS ACCIDENTS AND SAFETY MEASURES.

The Contractor shall observe all State and local rules and regulations, so far as they are relevant in controlling the operations involved carrying out the work and indemnify the Govt. and employees of the Govt. against all suite losses, demands, actions, judgments and cost of every kind resulting from the commissions and omissions of the Contractor and his employees in violation of the said rules and regulations.

5.1. Department for payment of the compensation under workman's compensation Act -V- III of 1923 on account of the workmen being employed by him and the full amount of compensation if awarded by any competent court of law to the workmen will be recovered from the Contractor and will be paid to the workmen as per direction of the court.

5.2. The Contractor shall have to abide by the Labour Laws and Rules in vogue and shall provide at his own cost housing, water supply, sanitation, medical aid and other facilities to the labourers engaged in the work as required under Labour Laws and Regulations. The Contractor shall not employ labour of minor age group.

5.3. The Contractor shall have to abide by the safety code introduced by the Govt. of India, Ministry of Works, Housing and Supply in their standing order No.44 to 50 Dt.-25.11.57.

5.4. Blasting where required shall be taken up only when proper precaution have been taken for the protection of persons and property in accordance with I.S. 4081-1967, safety code for blasting and related Drilling operations. Blasting shall be carried out only by persons licensed for and thoroughly conversant with the working methods and precaution to be observed in using explosives. To avoid the danger of inquiry from flaying debris, all personnel in a blasting area shall retreat to an adequate cover. While carrying out excavation adequate precautions in accordance with I.S. 3764-1966. Safety code for excavation works shall be taken for the safety of workers. The Contractor shall have to abide by the blasting laws and rules.

5.5. In case of any damage to Government or public property or to the property owned to any person(s) or firms (s) or body (s) due to negligence or any such action of the Contractor resulting in damage or stoppage of work thereby, the Contractor shall be liable to be penalized to the extent of the assessed value of the damage or the out turn lost.

5.6. If the contractor removes any materials or stock so supplied to him from the site of work with a view to disposing of the same dishonestly, he should in addition to any other liabilities Civil or Criminal arising out of the contract be liable to pay a penalty equivalent to five times the price of the materials or stock according to the stipulated rates and the penalty so imposed shall be recovered from any sum that may then or at any time

5.7. The contractor should be fully liable to indemnify the Department for payment of the compensation under workmen's compensation Act-VIII of 1823 on account of the workmen being employed by him & the full amount of compensation paid will be recovered from the Contractor.

5.8. The contractor shall make all arrangement for proper storage of materials. But, no cost for rising shed for the storage of materials and pay of watchman etc. will be borne by Department. These are all to be borne by the contractor. The Department is not responsible for considering theft of materials at site. It is at contractor's risk. Under any such plea, if the contractor stops the work, he shall have to pay the penalty as per Clauses of

5.9. After the work is finished all surplus materials and debris are to be removed by the contractor and preliminary works such as vats mixing platform etc. are to be dismantled and all the materials are to be removed from the site. No extra payment will be made to the contractor on this account.

5.10. The contractor will have to arrange for water supply for all works and make sanitary arrangements at his own cost for his labour camps. Contractor has to arrange adequate lighting arrangements for night works whenever necessary at his own cost.

5.11. Taking water from the foundation either rain water or sub soil water, if necessary should be borne by the Contractor. No payment will be made for bench marks, level/pillars, profiles and benching and leveling ground where required. The rates quoted should be for finished items of work inclusive of those incidental items of work.

6. CHANGE OF ADDRESS OF CONTRACTOR :

The Contractor shall inform the RMC any change of his postal address from time to time from the one given in

7. ARCHAEOLOGICAL FINDINGS :

The Contractor shall deliver to the Engineer-in-Charge all articles of archaeological importance as and when those are found in course of execution.

8. CONTEMPORARY CONTRACTORS :

The Contractor shall take into consideration the needs and requirements of the other Contractors if any, working in the vicinity during the tenure of his contract and shall neither take nor cause to be taken any steps or actions that may cause disruption / disturbance to their work, labour or arrangement etc. Any action by the

9. TAXES :

A) INCOME TAX

As per new section 104 in the income tax Act, 1961 introduced by Finance Department Act, 1982 as communicated in Govt. of Orissa Finance Department No (M.E.-62-111-32) dt.19/01/72 when individual contract exceeds by Rs.50001 deduction @ 1% will be recovered and credit thereof will be passed onto the Income Tax Authority by cheque under the head of account "Taxes of Income "

B) VAT: -

Deduction @ 4 % from billed amount will be made from every bill of the contractor towards ORISSA VAT.

C) CESS: - Deduction @ 1 % from billed amount will be made from every bill.

10. INTEREST: -

Under no circumstances interest is payable for dues of the Contractor if any, laying unpaid or payable for the work.

11. PLANS AND DRAWINGS: -

The work has to be carried out in accordance with the Orissa Detailed standard specification and relevant I.S. specification pertaining to the tendered items of works and specifications and special conditions appended here to. Drawings will be supplied to the Contractor to execute the work in general conformity therewith. These drawings will be supplemented by such additional, general and detail drawings or directions as may be considered necessary or desirable as the work progresses. No claim will be entertained due to change of drawing. Where details shown on those drawings differ from the requirement of the specifications, the requirement of the specifications shall govern and the Contractor shall not work without proper drawings, direction and instructions. He shall check all drawings carefully and bring to the notice of the Engineer-in-Charge any errors and omissions discovered, where upon the Engineer-in-Charge shall prepare revised additional drawings and specifications as may be required. All such additional, general and detailed drawings will be binding on the Contractor under the same terms and conditions as provided in Clause - 10 of P-1 agreement. The decision of the Engineer-in-Charge with regard to specification is final.

12. CONSTRUCTION PROGRAMME

A construction programme proposed and submitted by the Contractor prior to issue of work order may be approved by the Engineer-in-Charge. The Contractor shall arrange for additional shifts whenever necessary to suit the revised construction programme. No extra payment on this account is admissible.

a) The Contractor has to make adequate lighting arrangements for night work wherever necessary in fulfillment of the construction programme at his own cost and no extra payment on this account in admissible.

13. AVAILABILITY OF LABOUR: -

Labour required for the work may not be available to the full extent in the locality. The Contractor may have to import labour from outside. He shall arrange and regulate the labour strength according to necessity. The claim for any idle labour whether or not at the fault of the Contractor or due to any other reason whatsoever shall not be entertained by the Department. The Contractor's item rate in the tender are deemed to have adequate coverage on account of import and employment of required labours and providing facilities and amenities to them.

14. SUSPENSION OF WORK: -

The Engineer-in-Charge/ Chairman, RMC may from time to time by written orders without in any way violating the contract, direct the Contractor to suspend the work or any part thereof at such time and the Contractor shall not after receiving such written order proceed with the work or items thereof order to be suspended until he shall have received a written notice or authority from the Engineer-in-Charge/ Chairman, RMC to proceed with the works again. Should the work be ordered to be suspended directly in the interest of safety of the work due to acts of God, war or indirectly as a result of the Contractor not complying with any of the provisions of the contract in respect of the quality of the materials, workmanship, programme of execution he shall not be entitled to claim any compensation for any loss he may be put to directly or indirectly for such suspension of work. During the period of suspension of the work the Contractor shall properly protect and secure the works as far as is necessary in the opinion of the Engineer-in-Charge/ Chairman, RMC. There will not be compensation or extension of time granted for reasons of inadequate cash flow. Work should be suspended depending on availability of funds and no compensation will be admissible of this accord.

15.1 ITEMS NOT COVERED IN THE SCHEDULE: -

The items of work not covered in the tender schedule shall be paid in the current schedule of rate of the State and those not covered by the said schedule of rate will be paid on actual analysis approved by the competent authority. The right is reserved to make increase or decrease the quantity of item of works mentioned in the schedule attached to the detail tender call notice as may be considered necessary for satisfactory completion of the contract work and such increase or decrease will no way invalidate the contractor shall not be eligible to any claim/compensation on the account of extension of time for completion of the work.

16. FORCE MEASURE: -

The Contractor shall take all precautions to protect the work from damage due to rains, flood, cyclones, fire or by any other natural calamity, public agitation or riots etc. and also make good such damage if any at his own cost during the period of execution and till the work is taken over by the Department. No compensation will be paid to the Contractor on account of idle labours due to above reason.

17. TOOLS AND PLANT :

own cost, and the rate quoted should be inclusive of such charges. The department may lend on hire some machineries for use in the work subject to their availability on terms and condition as shall be specified by the department from time to time and after execution of necessary agreement. But on the plea of non-supply of machineries by the department, the works should not be delayed nor any compensation on such account is tenable nor will the Contractor be eligible for any time extension on that score.

18. HAUL ROADS :

All approach roads and haul roads to worksites and quarries will be constructed and maintained by the Contractor at his own cost.

19. CONSTRUCTION SHEDS :

Temporary structures may be erected by the Contractor at his expenses for storage shed, office, residence, labour hutment etc. on the land available with the Department with the permission of the Engineer-in-Charge. On completion of the work these structures should be dismantled and the site cleared and handed over to the Department.

19.1. In the event of delay in supply of detailed structural designs for unavoidable reasons, reasonable extension of time will be granted on the application of the Contractor. But no claim for monetary compensation will be entertained under any circumstances.

19.2. Any slip debris and other foreign materials deposited on the working region on account of rains, flood or any other cause prior to and during the course of execution and till the work is completely or taken over by the Department, have to be cleared by the Contractor at his cost, the rates quoted by the Contractors shall be inclusive of all such contingencies.

19.3. The Contractor shall not interfere with the execution of water supply of electrical arrangements any other works entrusted to any other agencies by the Department at any time during progress of work.

19.4. It shall be the responsibility of the Contractor to make such arrangements as may be required from time to time to protect men, machinery and the works against damage due to flood and the Department accepts no liability whatsoever for damage or loss on this accept.

20. SITE CLEARANCE: -

Such portion of the site of work as may be considered necessary for the purpose of alignment and demarcation, shall be cleared of jungle, if any, by the Contractor at his own cost. The limits of the structure within which work will be carried out within the scope of the Contractor shall be suitably demarcated by the Department. The Contractor has to supply necessary labour at his own cost fixing bench mark pillars / alignment pillars / alignment and pegs and also for layout, leveling and profiling and maintaining the same till completion of the work. Cement Concrete pillars required for layout will be supplied by the Contractor at his own cost.

20.1. The Contractor should keep himself in touch with the Engineer-in-Charge for smooth execution of work and arrange adequate labour depending upon the work load and working space available. No claim whatsoever for detention / idle of labour will be entertained.

21. ORDER BOOK

An order book with pages serially number will be issued by the Secretary RMC, and shall be maintained systematically till completion of the work and thereafter surrender it, to the Secretary RMC for record. The order book shall be available at the site during work hours for recording instructions relating to the work. Order regarding the work as and when necessary shall be entered in this book by the Engineer-in-Charge or his superior in office with their dated signatures in exercise of statutory power vested on them which shall be duly noted by the Contractor or his authorized agent with his dated signature. The executive sub-ordinate, in charge of work shall also record his observation of defective work and such orders / observation entered in this book, and noted by the Contractor agent shall be considered to have been duly given to the Contractor. Similarly orders entered by the higher authorities shall be deemed to have been duly issued by the Engineer-in-Charge for the contract.

22. RULE TO VERBAL ORDER: -

It shall be the Contractors responsibility to get any verbal orders, instructions or directions confirmed in writing without which no cognizance will be taken of such verbal orders, instructions or directions for settlement of any claim arising thereof.

23. STATUTORY OBLIGATION OF CONTRACTOR: -

The Contractor shall have to arrange water required for the work at his own cost.

23.1. The Contractor shall have to construct and maintain coffer dam as required for the work during execution at his own cost.

23.2. Bailing out water from foundation, construction of cross bund dewatering wherever necessary during execution of the work shall have to be done by the Contractor at his own cost.

23.3. Gangway, scaffolding or any such arrangements required for the work are to be provided by the Contractor at his own cost as per direction of the Engineer-in-Charge. The Department will have the right to inspect such arrangement made for the work and reject partly or fully such structures found defective in opinion of the Engineer.

23.4. Department shall not pay compensation to the Contractor for the damage occurred to the materials and work entrusted to him due to natural calamities.

23.5. The contractor should be fully liable to indemnify the Department for payment of the compensation under workmen's compensation Act-VIII of 1823 on account of the workmen being employed by him & the full amount of compensation paid will be recovered from the Contractor

23.6. Every tenderer must examine the Detailed Specification of Odisha PWD before submitting his tender. The right is reserved without impairing the contract to make such increase or decrease in the quantities of items of work mentioned in the schedule attached to the tender notice as may be considered necessary to complete the work fully and satisfactorily. Such increase shall in no case invalidate the contract or rates. It shall be definitely understood that, the Government does not accept any responsibility for the correctness of completeness of the quantities shown in the schedule. The schedule is liable to alteration by omission or addition or deduction and such omission, deductions shall in no case invalidate the contract & no extra monetary compensation will be entertained.

24. DEPARTMENTAL RIGHT FOR DEVIATION IN QUANTITIES: -

Right is reserved to make such increase or decrease in quantity or item of work mentioned in the schedule attached to the tender notice as may be considered necessary for satisfactory completion of the work and such increase or decrease shall in no way in validate the Contractor.

25. EMERGENCY MEASURE

The work may be split up and distributed among several Contractors if considered necessary on the emergency of the circumstances of the work and the Contractor will not be entitled to any compensation to his account.

26. CONTRACTOR DYING, BECOMING INSOLVENT, INSANCE OR IMPRISONED

a) In the event of the death insanity, insolvency and imprisonment of the Contractor or the Contractor being a partnership or firm becomes dissolved or being a corporation goes into liquidation, the contract may be terminated by notice in writing posted at the site of the work and advertised in one issue of the local newspaper and all acceptable works shall be paid for after recovering all the Contractor's due to the Govt. there from, at appropriate rates to the person or person entitled to receive the payment.

b) If the Contractor becomes bankrupt or has a receiving order made against him or compound with his creditor or being a corporation commence to be wound-up not being a voluntary winding-up for the purpose only an amalgamation or reconstruction or carry on its business under a receiver for the benefit of the creditors of any of them, the Department shall be at liberty.

i) To give such liquidator receiver, or other person the option of carrying out the contract subject to his providing guarantee for the due, faithful performance of the contract up to an amount to be determined by the Department.

ii) To terminate the contract forthwith by notice in writing to the Contractor or to the liquidator or receiver or to any person in whom the contract may become vested and to act in the manner as per prevalent clauses of P-1 contract.

27. DETAILS CALL NOTICE BEING PART OF CONTRACT: -

The detail tender call notice and all the Annexure there to will form the part of the Agreement when the work will be awarded to the Contractor. All the correspondence made with the Contractor and all his correspondence with the Department after the tender is received will also be attached with the agreement.

28. FAIR WAGES CLAUSE: -

The Contractor should abide the fair wage clause introduced by the Govt. and shall not pay less than the fair wages fixed by the Govt. to the labourer engaged by him in the work.

29. TESTING OF THE STRUCTURE

The materials like Cement, SAIL Steel, Paints etc. procured & used by the Contractor for the above noted work should be as per I.S.I specification and to be got approved from the Engineer-in-charge before execution. The contractor must have to arrange by themselves cement such as LAFARGE, OCL, L&T and Steel such as SAIL, TISCO and from approved manufacturers & get it tested in the departmental laboratory and approved by the department before use. After completion of work, the Contractor shall arrange the requisite equipment for testing of the work if found necessary at his own cost.

30. TIME CONTROL:-**30.1 Progress of work and Re-scheduling Programme.**

30.1.1 The Chairman, RMC shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the bid process and commencement of the contract.

30.1.2 Within 15 (fifteen) days of issue of the letter of acceptance, the Contractor shall submit to the Chairman, RMC for approval a Programme commensurate to Clause No.3 showing the general methods, arrangements and timing for all the activities in the works along with monthly cash flow forecast. If at any time it should appear to the Chairman, RMC that the actual progress of the works does not conform to the programme to which consent has been given, the Contractor shall produce at the request of the Chairman, RMC, a revised programme showing the modifications to such programme necessary to ensure completion of the works within the time for completion. If the Contractor does not submit an up-dated programme within this period, the Chairman, RMC may withhold the amount of 10 % of the contract value from the next payment certificate & continue to withhold this amount until the next payment after the date on which the over due programme has been submitted.

30.2 Extension of the Completion Date.

30.2.1 The time allowed for execution of the works as specified in the contract date shall be the essence of the contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of award after the date on which the Chairman, RMC issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law be at liberty to forfeit the earnest money & performance guarantee / Security deposit absolutely.

30.2.2 In case of delay occurred due to any of the reasons mentioned below, the contractor shall immediately give notice thereof in writing to the Chairman, RMC but shall nevertheless use constantly his best endeavours to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Chairman, RMC to proceed with the works.

(i) Force measure, or

(ii) Abnormally bad weather, or

(iii) Serious loss or damage by fire, or

(iv) Civil commotion, local commotion of workmen, affecting any of the trades employed on the work, or

(v) Delay on the part of other contractors or tradesmen engaged by In case of delay occurred due to any of the

(vi) In case a variation is issued which makes it impossible for completion to be achieved by the intended completion date without the contractor taking steps to accelerate the remaining work and which would cause the contractor to incur additional cost, or

(vii) Any other cause, which, in the absolute discretion of the authority mentioned, in contract date is beyond the contractor's control.

30.2.3 Request for re-schedule and extension of time to be eligible for consideration, shall be made by the Contractor in writing within 30 (thirty) days of the happening of the event causing delay. The Contractor may also, if practicable indicate in such a request the period for which extension is desired.

30.2.4 In any such case, a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the contractor by the Engineer-in-charge in writing within 2 (two) months of the date or receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the In case of delay occurred due to any of the reasons mentioned below, the contractor shall immediately give notice thereof in writing to the Chairman, RMC but shall nevertheless use constantly his best endeavours to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Chairman, RMC to proceed with the works. And this shall be binding on the contractor.

31. RESOLUTION OF DISPUTES AND JURISDICTION OF COURT: -

All claims arising in course of execution due to non-payment, less payment or for any reason what so ever which the contractor deems necessary for reimbursement shall be made to the Chairman RMC Bargarh for his consideration and order. In case the contractor is not satisfied with the decision, and then he can prefer the claim to the General Manager/ Executive Engineer, OSAM Board, Bhubaneswar for his arbitration. All such awards shall be speaking, reasoned, parawise and specific. Incase the same is still not deemed satisfactory by the contractor then he can claim the amount in the form of money suit in the appropriate Court of Justice. For all legal disputes the case of action will be deemed to have arisen within jurisdiction of Sub-Judge, Bargarh

32. Tenderers are required to submit the following documents along with the Bid.

- (1) List of major works executed in the prescribed proforma enclosed herewith**
- (2) List of T & P, Machineries & vehicles available with bidder.**
- (3) CERTIFICATE OF LIST OF WORKS IN HAND**

List of major works executed**Annexure –I**

I/We do hereby certify that the following works have been executed by me/us in last 3 years

SCHEDULE OF WORKS

Sl. No.	Description of work	Quantity	Unit	Estimated Rate		AMOUNT	
				Rs.	P	Rs.	P
1	Earth work in excavation of foundation trenches in all kinds of soil including moorum, stony earth and earth mixed with boulders except sheet rock and boulders requiring blasting including dressing of sides and leveling the bed up to the required depth and depositing the excavated materials away from the work site within initial leads and lifts, including shoring, shuttering & dewatering (if required) with cost of labour,cess, hire & running charges of water pumps sundries T & P & all other machineries required for the work etc.complete in all respect as per latest specification & direction of the Engineer in charge.	170.91	cum	87.55		14963.17	
2	Supplying and filling in foundation and plinth with good river sand well watered and rammed in layers not exceeding 23 cm in each layer including all leads and lifts, cost of all materials, labour,cess, sundries, T&P required for the work etc.complete in all respect as per latest specification & direction of the Engineer in charge.	55.62	cum	257.41		14317.14	
3	Filling in foundation &plinth with excavated materials including watering & ramming as directed by the Engineer-in charge .(2/3rd rate of respective item)	37.60	cum	58.37		2194.71	

4	Providing and lying plain cement concrete of proportion (1:3:6) in foundation and plinths using approved quality cement , 40 mm. size black hard crusher broken granite stone metal and screened, washed sharp sand for mortar of approved quality and from approved quarry, including hoisting, lowering, laying concrete, ramming, watering and curing etc. complete to required levels laid in layers not exceeding 15 cm. thick in each layer including cost, conveyance, loading, unloading, royalties and taxes of all materials and cost of all labours, cess, sundries, T&P & all other machineries required for the work including shoring, shuttering and dewatering if required including hire & running charges of water pump etc.complete in all respect as per latest specification & direction of the Engineer in charge.	29.28	cum	3587.88	105053.13
5	Random Rubble H.G.stone masonry in cement mortar (1:6) in foundation & plinth.	21.50	cum	2300.47	49460.11
6	RCC work M-20 grade as per approved designs and drawings having a minimum compressive strength (in work test) 200 Kg./ Sqcm.in 15 cm. cubes at 28 days after mixing and test conducted in accordance with I.S.456 and I.S 516 using 12 mm. to 20 mm. size black hard crusher broken granite stone chips, screened and washed sharp sand for mortar of approved quality from approved quarry, to be mixed in concrete mixture with approved quality cement including hoisting, lowering, laying and compacting concrete by using vibrators, watering and curing for 28 days, centering and shuttering and finishing the exposed surface smooth providing grooves or beads wherever necessary including cost, conveyance, loading, unloading, royalties and taxes and cess of all materials, cost of all labours, sundries, T&P & all other machineries required for the work but excluding cost and conveyance of M.S. or Tor steel and binding wires etc.complete in all respect as per latest specification & direction of the Engineer in charge.				
a)	Plinth bend	11.85	cum	4836.36	57310.87
b)	Column base	7.07	cum	4538.97	32090.52

c)	Column & Beam (up to 5m.)	11.09	cum	10225.62	113402.13
d)	Lintel band (up to 5m.)	3.51	cum	5973.32	20966.35
e)	Roof slab	13.67	cum	7220.47	98703.82
7	Supplying HYSD Steel & labour reinforcement work including cutting, bending, binding, tying, placing in position. Unit =1 MT. Output =1 MT etc. complete in all respect as per latest specification & direction of the Engineer in charge.	5.35	MT	64073.38	342792.58
8	12 mm thick Cement Plaster (1:6) over brick work with curing etc as directed by the Engineer-in-charge.	192.00	sqm	76.97	14778.24
9	12 mm thick Cement Plaster (1:4) over Brick with neat cement punning with watering, curing etc. as directed by the Engineer-in-charge	68.00	sqm	102.09	6942.12
10	12 mm thick Cement Plaster (1:4) over Brick with neat cement punning and bitumen painting with watering, curing etc. as directed by the Engineer-in-charge	11.00	sqm	107.20	1179.20
11	16 mm thick Cement Plaster (1:6) over Brick or Stone masonry per 1 sqm:-	392.00	sqm	110.52	43323.84
12	20 mm thick Cement Plaster (1:4) over Brick or Stone masonry per 1 sqm	117.00	sqm	157.86	18469.62
13	1st Class K.B.Brick masonry in cement mortar (1:6) using the bricks of size 10" x 5" x 3" of crushing strength not less than 100 kg / centimeter square with dimensional tolerance 3% after immersing the bricks for 6 hours in water before use including hoisting to required height placing in position scaffolding, splays cutting, circular moulding, corbelling, chamfering and similar such type of work watering and curing etc. including cost, conveyance, royalty, cess, and taxes of all other materials machineries scaffolding all labour T&P articles required for the work etc. complete in all respect as per the latest specification confirming to relevant IS Specification and direction of the Engineer-in-charge.				
(A)	In Foundation&Plinth	60.10	cum	3263.36	196127.94
(B)	Super structure upto 3mtr	63.50	cum	3296.69	209339.82
14	Painting 2 coat with approved paint on new wood work or iron work as directed by the Engineer-in-charge	120.28	sqm	73.02	8782.85

15	Distemping two coats to walls with distemper of approved shade on new work to give an even shade including cost of distemper as directed by the Engineer-in-charge	376.95	sqm	36.19	13641.82
16	Supplying, fitting and fixing of glazed tile in wall and dado on 25mm thick bed of cement mortar (1:1) and jointed with neat cement slurry mixed with pigment to match the shade of tile including cost, conveyance, taxes of all materials etc. complete.	166.05	sqm	655.42	108832.49
17	25mm thick A.S flooring in C.C (1:2:4) using 12mm size h.g chips with cement punning , watering.curing including all cost, conveyance, royalty, taxes etc. complete.	67.00	sqm	190.43	12758.81
18	Cement painting two coats to walls with cement paint of approved shade on new work to give an even shade including cost of distemper as directed by the Engineer-in-charge	222.50	sqm	20.20	4494.50
19	Providing, fitting and Fixing vetrified tiles of size 20 cm x30 cm. in floors ,treads on steps and landing on 25 mm thick bed of cement mortar 1 :1 (1 cement :1 sand) joined with neat cement slurry mixed with pigment to match the shade of the tiles including rubbing and polishing complete including cost of vetrified tiles .	3.52	sqm	1070.38	3767.74
20	Labour for drilling a perfectly vertical borehole at specified dia for a specified depth below ground level through consolidated and unconsolidated rock with down the hole hammer drilling rigs or combination drilling rigs as required to suit the site condition as per the direction of Engineer-in-charge including use of own rigs with its accessories ,tools and plants and consumables etc.for lowering of 125 mm dia P.V.C./G.I. pipes for housing ,fitted with socket and with or without well screen as per the necessity for soft ,medium ,hard and boulder formation (G.I./PVC casing pipes if required to prevent collapse of over burden is to be provided by the contractor including lowering and withdrawing after completion of tube well).				

i)	Drilling of 125 mm dia bore (0 mtr to 30 mtr.)	30.00	rmt	309.00	9270.00
ii)	Drilling of 100 mm dia bore (31 mtr to 60 mtr.)	30.00	rmt	304.00	9120.00
iii)	Drilling of 100 mm dia bore (61 mtr to 75 mtr.)	15.00	rmt	304.00	4560.00
21	Lowering the following size GI/PVC pipes with or without slotted pipes as per the necessity from ground level up to 15 mtrs depth and fitted 7 fixed up in perfectly vertical position including cutting and threading pipe and slotted pipe and supplying and fixing all jointing materials, tools and plant etc. complete and keeping the top of the casing pipe threaded including plugging tube wells to prevent entry of foreign materials from above.	15.00	rmt	50.00	750.00
22	125mm ND (sch 80)PVC casing including cost & conveying.	15.00	rmt	1000.00	15000.00
23	Providing, supplying, lowering, fitting and fixing of ISI brand of 1.5 H.P. submersible pump set inside bore well of approved make with submersible cable and fittings with all cost, conveyance, taxes of materials, labour, T&P etc complete as directed by Engineer-in-charge.	2.00	each	15000.00	30000.00
24	Cost of PVC pipe line including fitting & fixing, conveyance etc complete. as directed by the Engineer-in-charge				
i)	12mm dia PVC pipe .	60.00	rmt	100.00	6000.00
ii)	20mm dia PVC pipe .	30.00	rmt	150.00	4500.00
iii)	25mm dia PVC pipe .	100.00	rmt	200.00	20000.00
iv)	38mm dia PVC pipe .	30.00	rmt	200.00	6000.00
v)	50mm dia PVC pipe .	40.00	rmt	250.00	10000.00
vi)	100mm dia PVC pipe .	104.00	rmt	250.00	26000.00
25	Cost, supplying, laying, jointing, fitting & fixing of following size valves including cost of required PHD fitting materials all cost, labour etc complete. as directed by the Engineer-in-charge				
i)	50mm dia stop cock	12.00	each	200.00	2400.00
ii)	38mm dia Full way valve	4.00	each	350.00	1400.00
iii)	12mm dia bib cock	14.00	each	250.00	3500.00

26	Cost, supplying, fabrication, fitting & fixing of M.S Grill Gate made out of MS Angle and square bar opening of approved design & quality including cost of screws and one coat anti-corrosive painting and labour for fixing with all cost, conveyance royalties & taxes of all materials and labour with T & P etc.	228.84	kg.	76.51	17508.55
27	supplying, fitting and fixing of gent's urinal with all cost, conveyance, taxes etc. all complete.	5.00	each	2000.00	10000.00
28	Supplying, fitting and fixing of ladies urinal with all cost, conveyance, taxes etc. all complete.	2.00	each	750.00	1500.00
29	Supplying, fitting and fixing of cowels with all cost, conveyance, taxes etc. all complete.	6.00	each	150.00	900.00
30	Supplying, fitting and fixing of PVC bend 4" size with all cost, conveyance, taxes etc. all complete.	10.00	each	250.00	2500.00
31	Supplying, fitting and fixing of Flushing cisterns with all cost, conveyance, taxes etc. all complete.	4.00	each	1000.00	4000.00
32	Cost, supplying, fabrication, fitting & fixing of M.S door, window & ventilators opening of approved design & quality including cost of screws and one coat anti-corrosive painting and labour for fixing with all cost, conveyance royalties & taxes of all materials and labour with T & P etc.	1160.00	kg.	70.00	81200.00
33	Supplying, fitting and fixing of I.S.I. mark hand wash basin with waste pipe fixing in wall in a suitable height including cost of all materials, labour, T & P etc. complete including cost, conveyance, taxes of all materials etc. complete.	1.00	each	1500.00	1500.00
34	Supplying all material, labour, taxes, T&P for fitting and fixing of white glazed vitreous china porcelain of Orissa pattern water closet 580 X 410 X290 mm of approved make etc complete as required of approved ISI brand as per direction of the Engineer-in-charge. Orissa pan open rim 580mm X 410mm	4.00	each	750.00	3000.00

35	Supplying, fitting and fixing of 0'-10" dia Usha / Bajaj make exhaust fan with all labour, T & P etc. complete including all cost, conveyance, taxes of all materials etc. complete.	1.00	each	1200.00	1200.00
36	Cost, supplying, laying, jointing, fitting & fixing of sintex tank 500 ltr including cost of required PHD fitting materials all cost, labour etc complete. as directed by the Engineer-in-charge	1.00	each	4000.00	4000.00
37	Cost, supplying, laying, jointing, fitting & fixing of sintex tank 1000 ltr including cost of required PHD fitting materials all cost, labour etc complete. as directed by the Engineer-in-charge	1.00	each	7500.00	7500.00
