David asked members again to think about how the Club should spend some of the National income and to please contact any board member for suggestions. Only a couple of members have voiced an opinion so far.

Treasurer, Linda Miller, reported that the Club made \$9200.00 on the recent agility trial at Myers Park and Shari Degan thanked all members who came out to help.

Patti Caldwell reported on the upcoming March Specialty and said everything was on track, but she did need someone to volunteer to help Dawn with the raffle since Shari Curran probably could not attend due to her recent surgery. She also needed someone to pick up the dog beds for the raffle. David agreed to do that. David also will attend the 1:00 TxCSA meeting on Saturday during the show. Lynda Williams agreed to bring 2 dogs for "Meet the Breed". The Judges Dinner was briefly discussed and Patti said she would email members to see who would want to come.

Donna Todd reminded members about the Glenda Mitchell Seminar to be held May 10-11 at the Frick property. Nine have signed up so far, but she would really like to have at least 5 or 6 more. For more information see flyer attached to the Club's online March Newsletter.

MINUTES OF THE BOARD MEETING  
DALLAS FT-WORTH METRO GOLDEN RETRIEVER CLUB  
March 26, 2014  
LaMadeleine, Preston & Forest, Dallas

The meeting was called to order by David Brown at 7:35 pm  
Present were: David Brown, Kathy Felix, Linda Miller, Patti Caldwell, Sherri Farmer (a majority of the board)

Kathy reported that she received a request from the 2014 National Specialty asking if DFWMGRC would like to sponsor a breakfast. After discussing it and figuring up the approximate total cost, we decided to forego sponsoring a breakfast. We will instead donate to the trophy fund (\$1500) and will provide a club basket for the raffle.

David brought up the March specialty through Texas Combined Specialty Association. He said they now have a new policy where they will send the individual clubs their portion of the profits instead of waiting for Onofrio to pay. That will get us our money in a more timely manner.

David also brought up future specialties. David reported that the current group of people who have been in charge of the specialty for the past several years are tired and would like a break. It was discussed that members who have not been active lately should get involved. He will post a notice asking for a chair and a committee on the DFWMGRC yahoo group and will get the info to Janet to put in the newsletter. If no one steps up, we might have to forego a specialty in 2015. If that happens, we still would need to pay the TCSA a fee to hold our spot for 2016 in case someone steps up to chair it in 2016.

A discussion was held concerning our next membership meeting. It was decided that David will let Cathy Meddaugh know that we would like it to be on April 30.

The 2013 National Specialty made a very nice profit. A discussion and vote was held regarding the use of the money. It was decided and passed unanimously that we would like to make the following donations:

GRCA Foundation: \$10,000

We will make a general donation and let the Foundation decide which of their funds needs it the most.

RPOA (Responsible Pet Owners Assoc) \$ 5,000

AKC President's Challenge \$ 1,000  
(fighting anti-dog legislation)

Golden Retriever Rescue of North Texas \$ 1,500  
(this is the rescue group that worked with us at the National Specialty and brought the dogs for the rescue parade)

Patriot Paws \$ 2,500

Morris Animal Foundation \$ 5,000

2014 National Specialty \$ 1,500

We will send the check and request that it go to their trophy fund

2015 National Specialty (Ohio) \$ 1,000

2016 National Specialty (NORCAL) \$ 1,000

TOTAL DONATIONS: \$28,500 After discussing each item above, David made a motion that we donate the amounts above to the listed organizations. Sherri seconded. Motion carried unanimously.

Sherri will compose the letters and get them to Linda Miller to mail with a check.

There was a discussion about some changes that we should consider for the Bylaws. It was tabled and will be brought up again at a later meeting.

Sherri presented a list of items that she would like the club to purchase for the hunt tests and that can be used for other functions:

2 shotguns (the same model as we now have) @ \$180 each \$360

We will put at least 2 of our guns out of commission. John Frick will be able to use the parts to keep the current guns operational. We need to have at least 5 guns that are usable at hunt tests and the WC/WCX.

6 Small Igloo Coolers @ \$15 each \$ 90

4 50-Quart Ice Chests on wheels @ \$30 each \$120

3 EZ UP 10 x 10 Vista Popup canopies @109 each \$327

TOTAL: \$897

Linda Miller made a motion to allow Sherri and/or Donna Todd to purchase the above items not to exceed \$950 total, which will allow for shipping if ordered via internet. Sherri said she will use our tax ID number to eliminate sales tax, if possible. Kathy seconded. Motion carried unanimously.

The meeting was adjourned at 9:00 pm.

Respectfully submitted,

Sherri Farmer  
Acting Secretary in Shari Curran's absence
