

TAG 12A

Welcome Letter & Schedule

2015-16

To the parent/guardian(s) of TAG 12A students:

Hello! I would like to introduce myself to you as your child's new TAG teacher. The WKC TAG program continues to be a communication, learning, and support program that is integral to the Winston Knoll Collegiate experience.

My name is Mick Rissling. I have been a science teacher at WKC for 10 years and have worked with several TAGs, including three graduations. I am working with an intern, Ms. Alm, and we are both looking forward to the year and what it brings.

The Grade 12 year at WKC is busy. Not only do we have the usual student monitoring, discussions, etc. but we also have lots of graduation information we must be aware of. Some important dates are on the other side of this page. Other dates will be added and updated so I am asking that you provide me with an email address so that I can keep you informed as quickly as possible. Remember to access the Parent Portal of PowerSchool regularly to get attendance and grades information.

I hope to see you in person at the Open House and/or the 3-way conferences later in the semester.
