## Aladdin Production

We are very much looking forward to our whole-school production of Aladdin. Preparations and rehearsals well underway for what promises to be an enjoyable and exciting week of performances in the final week of term. We thank all parents and students who were able to make the rehearsals held at school on a cold and wet Sunday afternoon. The students who have major roles as cast members are working very hard and giving up a lot of lunchtimes and weekends for rehearsals in preparation for the performance.

Whole-school productions of this nature are not an annual event, however, we are strongly committed to providing all students with learning opportunities to showcase their creative and performing talents and to experience being part of a successful performance.

Each child will be able to participate in a performance in school time (matinee), which is part of their curriculum for this term. Whilst participation in the two evening performances for the chorus members is encouraged, it is not compulsory. We appreciate there will be many factors that impact on families and parents in making decisions about this commitment. Students who have major roles are required at all three of their performances.

The Aladdin production involves many members of our school community beyond just students and teachers. School service officers, parents, grandparents, dance/music teachers and members of our Governing Council have volunteered their time to support this community event. We acknowledge the tremendous efforts and support of all volunteer parents and friends. The sponsorship received to date is also greatly appreciated supporting the overall running costs.

## Out of School Hours Care/Vacation Care

We are pleased to announce the appointment of a new Director and Assistant Director for our OSHC/Vacation Care program.

The new Director is Jo Long. Jo has had extensive experience working at local OSHC programs and schools. She is really looking forward to meeting everyone at our school. Please make sure you introduce yourself to Jo.

We are also thrilled to announce the appointment of Kylie Preece as Assistant Director. Kylie has been at our school for the past 18 months and has become a valuable member of our school community. Congratulations

# SA Public Teaching Awards

## Celebrating inspiring teaching

Nominations are now open for the inaugural SA Public Teaching Awards. Don't miss your chance to nominate an outstanding education professional of the South Australian public education system.

The public Teaching Awards aim to recognise and reward dedicated teachers, education leaders and support staff who have made an inspirational contribution to young South Australians.

To nominate a member of your school go to [www.decs.sa.gov.au/teacherawards](http://www.decs.sa.gov.au/teacherawards).

Nominations close 5pm Friday 3<sup>rd</sup> June, 2011.

For further information contact Virginia Barter on 8226 3079 or email [virginia.barter@sa.gov.au](mailto:virginia.barter@sa.gov.au).

## School Hats

We remind all families that as per our SunSmart Skin Protection Policy which has been updated and endorsed through Cancer SA, students do not have to wear a hat at school for the winter months of June, July and August.

## Smiles Day

This Wednesday SLEG has organised our first **SMILES** day. The purpose of this event is to raise money for disadvantaged children in Uganda, as part of World Vision's ongoing support. SLEG students will be conducting a short assembly Wednesday morning to share the importance of issues that affect other children around the world and to share how we will use the money. This may include money to support teacher training in a community, purchasing of school materials, provision of school buildings etc.

Our SLEG members believe it is important to share the purpose behind our fun day and ensure that we understand that by bringing SMILES to our faces by being involved in a fun day we can also bring SMILES to the faces of those less fortunate than us.

We ask you support the day by sending your child to school dressed in their favourite colour. Yes they can also colour their hair in this colour too. We ask that students don't just come with coloured/crazy hair but this is part of the whole colour outfit. To participate we ask that children bring along a donation of a gold coin (of course if you wish to donate more that too is fine) to assist with the purchase of gifts mentioned above.

Thank you for your support in this event.

**Karen Gillespie on behalf of SLEG**

## Aladdin

**Please note:**

**All ticket order requests/orders must be in by this Friday, 27<sup>th</sup> May.**

Also, the note that went home on Friday regarding sourcing blue/yellow harem costumes unfortunately included an incorrect date. The registration of interest in ordering the costume has to be in to the school by this **Wednesday 25th May**, NOT June as the note stated.

An example of the costume is pinned up on our display at school. It is a basic polyester two piece garment. The trousers are generous in size and the top may or may not need a little singlet underneath, depending on the size of the child. It is simply an alternative you may or may not wish to consider for your child.

## Walk Safely to School Day

This national event held on Friday morning 20th May was once again widely supported by Craighburn students and families who enjoyed the benefits of walking safely to school.

Special thanks to Trudi Kluge and Lolita Wegner from our Environment Committee, who were able to organise and supply fresh juicy apples at recess time to students who participated in the walk to school.

## Year 7 Canberra Trip

### **Australian Government assistance for National Capital excursion**

Students from our school will soon be undertaking an educational tour of the national capital. While on this tour they will participate in a variety of educational programmes focused on Australia's history, culture, heritage and democracy.

The Australian government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist you (the parent) in meeting the cost of the excursion the Australian government is contributing funding of \$60.00 per eligible student under the Parliament and Civics Education Rebate (PACER) programme toward the travel expenses incurred. This contribution will be paid directly to the school upon completion of the excursion.

We would like to thank the Australian Government for their support of this program.

We are really looking forward to our trip away. Activities undertaken as part of our trip will be shared in our newsletter upon our return.

## School Uniform Information

### Update

As advised at the end of last term A1 Apparel has become the schools supplier of custom uniform items as well as continuing to supply the basic range. Obviously given that we have a new supplier, brands may not be the same as those previously supplied by Universal and the uniform items shown in the school reception area are in the process of being updated to the new range available from A1.

A1 Apparel took delivery of the Craighburn Windcheater, Winter Dress and Pinafore last week and an updated notice from A1 on their stocks can be found at the back of this newsletter.

Of course parents are as always, welcome to purchase generic brands from other sources and apply the iron on school logo which is available from the cashier's office.

**The Second hand Uniform Shop** continues to open on Tuesday and Friday mornings. If you would like to volunteer to help in the shop for 30 to 60 mins one week a month, please give Heather at reception your details and we will be in touch.

**Thank you, on behalf of the Uniform Committee**

### **Southern Cross Cultural Exchange**

**Southern Cross Cultural Exchange** each July has 31 Spanish students aged between 15 and 17 to come to SA for 11 weeks. These students come to better their English during their summer break back in Spain. The students always go home saying they have had a wonderful experience and that they feel it has helped their English improve immensely. I have found families for 21 of these students but still have 8 boys and 2 girls remaining.

As these students will arrive on 9<sup>th</sup> July, they will be getting anxious not knowing they have a placement. It will make a child on the other side of the world very happy if I can let them know they have a family to stay with.

Families who are interested can contact me either by phone 85561268 or email [jeh1313@bigpond.net.au](mailto:jeh1313@bigpond.net.au)
