Middle and High School Winter Activities Sign up Form 2014

Full Name: _____

Grade: _____

Dear Students and Parents,

November 26, 2014

The Winter Session for Middle and High School after-school activities will begin on Monday, December 8. Please return this letter to the activity office room 122 or to Ms. Christina Chari, our school secretary located in the foyer by Monday, December 1. Winter Activities will end on March 6th. Please note that we do have after school busing for students involved in activities.

Be aware that in order for an activity to take place there must be enough student interest. Students have **two weeks** to decide to participate in after-school activities. After two weeks students are no longer allowed to add activities and must wait for the next session.

MONDAY

This craft is easy to learn and can be enjoyed by all ages with the proper guidance. Start out small and with basic supplies and work your way up from there. *Learn* the basics of *jewelry making* using materials such as *beads*, wire, glass, metal, and clay.

_____ 29. **HS Science Fiction Club (3:10-4:00 Room 210 Mr. Economou)** This club is aiming to be a “creative writing” workshop. Imagination and creativity are quintessential attributes of today’s scientists but they are often considered childish and are neglected. Science fiction though, more often than not, eventually becomes science fact. This after-school activity is about learning from the visionaries of the past and at the same time working as a group trying to envision what the future will be like. This after-school activity is suggested for students of G10 and above.

Please note that Middle and High School Student Councils will be meeting on Fridays from 3-4pm
