

CREATION CHRISTMAS CARDS

This card celebrates the birth of Jesus as God's gift to His beloved world. The embossed images of Mary and the Spirit hold Jesus in the "manger" of the Earth where He lies wrapped in green "swaddling clothes" shaped like Africa. The message of Christmas is "the Lord is with us."

These cards are handcrafted by Subaanen women of north-west Mindanao. Income from the sale of these cards goes to the crafters who use it for their families, their educations and the land.
