**Introduction**

This is a resource produced by the Columban Mission Institute's Centre for Peace, Ecology and Justice to enable Christian reflection and response during the time of the Anzac Centenary and beyond.

It is a re-working of a set of 8 sheets called The Way of Peace developed at the time of the invasion of Iraq and in conjunction with the UN Decade for a Culture of Peace and Nonviolence for the Children of the World 2000-2010.

As violence and warfare continue to plague so many parts of the world today, this resource provides stimulus for you to be creative and active in responding to the Christian call to be peacemakers in the footsteps of the non-violent Jesus.
