Greetings!

Walworth County is honored and excited to organize the 2016 Wisconsin Farm Technology Days, July 19-21, hosted by Snudden Farms, LLC.

Farm Technology Days (FTD) is a 3-day agricultural exhibition demonstrating and promoting diverse agriculture and agri-business innovation. There are also displays, educational activities, and merchandise for the entire family. Farm and non-farm families interested in agriculture attend the show, with more than **60,000 people** expected to visit FTD 2016. More information, including additional applications, can be found at <http://walworthfarmtech.com> by clicking the Exhibitors Link.

The Family Living Committee of Wisconsin Farm Technology Days, Inc. – Walworth County, invites you to apply to entertain, educate, and/or demonstrate for our guests on the 16' x 32' stage in the Rural-Mutual Family Living Tent. We are looking for individuals and groups to provide age and family appropriate humorous acts, vocal & instrumental music, along with demonstrations and presentations on topics related to performing arts, local history, health, consumer related topics, and much more. Programs will be scheduled in 30 minutes, 45 minutes, or 1 hour increments from 9:30 a.m. to 3:00 p.m. daily. The sound system will be provided and operated by professionals. To apply, please **complete and return the enclosed application by February 1, 2016.**

Due to time limitations, we will review all applications and select those that we believe will be most interesting, enjoyable, and beneficial for the expected audience. We will notify you by March 15, 2016 of our decision. Additional guidance for the selected applicants will also be provided at that time.

We hope you are interested in being part of FTD 2016 and look forward to hearing from you!

Please contact Susan Crane at (414) 333-8843 if you have any questions.

Sincerely,

Family Living Committee
