

## EUROMASTERS 1978 - 1994 PORSCHE CARRERA 911 (Stage I & II)

**EUROMASTERS CLASSIC CARS** is proud to announce a *"Blast-to-the-Past"* with our line of fully restored 1978 - 1994 Porsche Carrera 911s. We first carefully hand select clean 1978-1994 Porsche 911s. These cars are then completely re-finished with new suspension, paint, interior, exterior-trim, lenses, engine, transmission, clutch assembly and 16" factory Fuch wheels with painted Porsche crests. See Stage I & II Restorations for details...

**Be the envy of your friends when you drive home in your newly remanufactured Porsche Carrera.**

Available in Coupe, Targa or Cabriolet with prices starting at just \$39,900 with EMCC Certified 5-Year/50,000 mile bumper-to-bumper Warranty!

### Stage I includes:

First we select a donor car which shows no visible signs of damage and has a perfectly clean CARFAX; normally west-coast cars. Then we fully disassemble, prepare and paint to perfection our 14-coat 2-stage process using German materials. Finally, we reassemble the exterior with all new rubbers, lenses, emblems, anodized trim, tires & brakes. (Suspension parts replaced as needed). Finally, new interior; windshield, carpet, door-panels, leather seats, dash, steering-wheel rear package tray & headliner are installed and a full service tune-up follows for the completion. Note: Euromasters certifies that all mechanical parts meet new or near new specifications. All aspects of the vehicle will operate correctly and to the level as when came from the factory.

### Stage II: Add \$10,000 for Rebuilt Engine, Rebuilt Transmission, New Clutch & New Suspension
