

Dear Cherished Member,

Lake Humane Society needs your help to make a difference in the lives of the injured, abused and abandoned animals of Lake County. In 2012, Lake Humane Society was responsible for the care of nearly 1,400 animals. We would appreciate your support in our efforts to save lives! We rely solely on donations in order to provide the care these animals desperately need.

Your membership enables Lake Humane Society to:

- Provide food, shelter and medical attention to the many needy animals of Lake County.
- Continue valuable LHS programs; such as, Humane Investigations, the Enrichment Program, Educational Programs for Children and many more.
- Expand our Foster Program, which allows us to care for even more animals with special needs by placing them in loving homes with our foster families.
- Fight animal overpopulation through our in-house spay/neuter services for all adopted animals in the Katherine M. Kreeger Surgical Clinic.
- Provide Lake County with our 24-Hour On-Call Service, which offers after-hours rescue for injured stray animals.

It is our goal to provide a better quality of life for these animals and we cannot accomplish that without your support. If you'd like to help, please fill out the attached membership form. The 2013-2014 Membership year runs from **July 1, 2013 to June 30, 2014**. No donation is ever too small. You are welcome to make a contribution that does not match the exact amounts listed. If you have any questions, please contact our Marketing/Fundraising Coordinator, Mandy Osborne, at mosborne@lakehumane.org or (440) 951-6122.

You play a vital role in the future of Lake Humane Society and the animals of Lake County. We thank you on their behalf!

Sincerely,

Chuck Farone
