

# ADVANCE DIRECTIVES

## *MAKING YOUR WISHES KNOWN*

### **Make Your Wishes Known**

The law of North Carolina provides two ways for you to “Make Your Wishes Known” in writing so your doctor and family will know how you want to be treated in the event you become unable to tell them. These are called Advance Directives.

### **Declaration of a Desire for a Natural Death (Living Will)**

North Carolina allows you to say whether you want to be allowed to die a natural death or prefer to have medical treatment which would prolong the natural dying process. North Carolina has adopted a form you can use to express your wishes. The form is called a “Declaration of a Desire for a Natural Death.”

Before your declaration becomes effective, a physician other than your attending physician must confirm that you have a terminal and incurable condition or you are in a persistent vegetative state and, without treatment, death will occur within a short time. Through a declaration you sign now, you can direct the withholding or withdrawing of life-prolonging techniques in an end-of-life situation.

To sign a valid declaration, you must be at least 18 years old and mentally competent. At least two people must witness your signature. Certain close relatives and persons providing you with health care cannot act as witnesses.

It is your obligation to let your doctor know that you have a declaration. You may void or change your declaration at any time before you become incompetent. If you choose to revoke your declaration, be sure to let your doctor and family know.

### **Healthcare Power of Attorney**

A power of attorney is a document by which you give another person – your “agent” – the authority to make decisions about the financial aspects of your life. As a North Carolina resident, you may also sign a Healthcare Power of Attorney which gives your health care agent the authority to make decisions about your health care. The authority of a health care agent is generally not restricted to end-of-life situations, but applies to all health care decisions when you are no longer capable of making such decisions.

To appoint a health care agent, you must be at least 18 years old and competent. The person you appoint should be notified in advance. You must sign the document in the presence of two witnesses who must not be your health care providers, blood relatives, or have a financial interest in your estate.

You can revoke this document just as you would a Living Will. There are a number of safeguards built into the law to protect you.

### **Advance Instruction for Mental Health Treatment**

An advance instruction for mental health treatment allows you to give instructions and preferences about mental health treatment. You may select someone to make these decisions for you if you lose the ability to decide for yourself. This document automatically expires in two years.

## **DNR - Do Not Resuscitate**

A DNR or Do Not Resuscitate is an order given by a patient's physician stating what is to be done or not done in case of a patient going into cardiac or pulmonary arrest. A DNR differs from a living will in that it is an order by the physician as opposed to a Living Will, which is a desire of the patient. North Carolina allows for a qualified patient to have a DNR order from their physician known as a Medical Order for Scope of Treatment or MOST. The MOST form is a special pink form, available from your physician, to be completed by the physician. The intent of MOST is to communicate to EMS, upon their arrival, the existence of a DNR.

## **Helpful Hints**

The health care power of attorney applies to more than just end-of-life situations and is more flexible than a Living Will. It may be best to consider signing both documents. If you do not have a Living Will or Healthcare Power of Attorney and become incompetent, North Carolina law takes over and may allow others to make health care decisions for you. A DNR is a physician order and you should communicate to your personal physician your wishes.

A Living Will, Healthcare Power of Attorney or DNR order that is valid in another state may not be valid here and should be reviewed by a local attorney. North Carolina law provides forms for both the declaration and health care power of attorney. You must be very specific in filling out these forms. If you have questions, it is probably a good idea to contact a lawyer to help you.

## **Summary of Policies and Procedures**

This facility's policy is to honor a patient's advance directive if it meets the requirements of state laws. We also recognize the right of patients to accept or reject offered medical or surgical treatment, to the extent permitted by law. Additionally, it is our policy to provide you with written information regarding advance directives. This brochure is part of the information process.

Upon admission to this facility, our staff will ask you whether you have signed an advance directive, and document your response in our file.

If you have already signed an advance directive, you will be asked to provide copies for your medical record. If you have signed an advance directive in a valid fashion, your wishes for treatment will be respected. If you have not signed an advance directive, but desire to do so, please let someone on our staff know.

## **Whether or not you have signed an advance directive, you will receive the same quality of treatment from us.**

If you want more information than is contained in this brochure, you need only ask anyone on our staff who will refer you to the appropriate supervisory staff member. Living Will and Healthcare Power of Attorney forms are available in the Marketing and Community Relations Department or from Nursing Services at Maria Parham Medical Center. You may also download the forms from the internet at [www.mphosp.org](http://www.mphosp.org). Portable DNR forms are available from your local Emergency Management Services (EMS), the Emergency Dept. or the Nursing Supervisor.

# ADVANCE DIRECTIVE FOR A NATURAL DEATH (“LIVING WILL”)

NOTE: YOU SHOULD USE THIS DOCUMENT TO GIVE YOUR HEALTH CARE PROVIDERS INSTRUCTIONS TO WITHHOLD OR WITHDRAW LIFE-PROLONGING MEASURES IN CERTAIN SITUATIONS. THERE IS NO LEGAL REQUIREMENT THAT ANYONE EXECUTE A LIVING WILL.

*GENERAL INSTRUCTIONS: You can use this Advance Directive (“Living Will”) form to give instructions for the future if you want your health care providers to withhold or withdraw life-prolonging measures in certain situations. You should talk to your doctor about what these terms mean. The Living Will states what choices you would have made for yourself if you were able to communicate. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with professionals such as your doctors, clergypersons, and lawyers before you complete and sign this Living Will.*

*You do not have to use this form to give those instructions, but if you create your own Advance Directive you need to be very careful to ensure that it is consistent with North Carolina law.*

*This Living Will form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.*

*If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses and proved by a notary public. Follow the instructions about which choices you can initial very carefully. Do not sign this form until two witnesses and a notary public are present to watch you sign it. You then should consider giving a copy to your primary physician and/or a trusted relative, and should consider filing it with the Advanced Health Care Directive Registry maintained by the North Carolina Secretary of State: <http://www.nclifelinks.org/ahcdr/>*

## My Desire for a Natural Death

I, \_\_\_\_\_, being of sound mind, desire that, as specified below, my life not be prolonged by life-prolonging measures:

### 1. When My Directives Apply

My directions about prolonging my life shall apply IF my attending physician determines that I lack capacity to make or communicate health care decisions and:

**NOTE: YOU MAY INITIAL ANY OR ALL OF THESE CHOICES.**

\_\_\_\_\_ I have an incurable or irreversible condition that will result in my death within a relatively short period of time.

\_\_\_\_\_ I become unconscious and my health care providers determine that, to a high degree of medical certainty, I will never regain my consciousness.

\_\_\_\_\_ I suffer from advanced dementia or any other condition which results in the substantial loss of my cognitive ability and my health care providers determine that, to a high degree of medical certainty, this loss is not reversible.

## **2. These are My Directives about Prolonging My Life:**

In those situations I have initialed in Section 1, I direct that my health care providers:

***NOTE: INITIAL ONLY IN ONE PLACE.***

\_\_\_\_\_ may withhold or withdraw life-prolonging measures.

\_\_\_\_\_ shall withhold or withdraw life-prolonging measures.

## **3. Exceptions — “Artificial Nutrition or Hydration”**

NOTE: INITIAL ONLY IF YOU WANT TO MAKE EXCEPTIONS TO YOUR INSTRUCTIONS IN PARAGRAPH 2.

EVEN THOUGH I do not want my life prolonged in those situations I have initialed in Section 1:

\_\_\_\_\_ I DO want to receive BOTH artificial hydration AND artificial nutrition (for example, through tubes) in those situations. NOTE: DO NOT INITIAL THIS BLOCK IF ONE OF THE BLOCKS BELOW IS INITIALED.

\_\_\_\_\_ I DO want to receive ONLY artificial hydration (for example, through tubes) in those situations. NOTE: DO NOT INITIAL THE BLOCK ABOVE OR BELOW IF THIS BLOCK IS INITIALED.

\_\_\_\_\_ I DO want to receive ONLY artificial nutrition (for example, through tubes) in those situations. NOTE: DO NOT INITIAL EITHER OF THE TWO BLOCKS ABOVE IF THIS BLOCK IS INITIALED.

## **4. I Wish to be Made as Comfortable as Possible**

I direct that my health care providers take reasonable steps to keep me as clean, comfortable, and free of pain as possible so that my dignity is maintained, even though this care may hasten my death.

## 5. I Understand my Advance Directive

I am aware and understand that this document directs certain life-prolonging measures to be withheld or discontinued in accordance with my advance instructions.

## 6. If I have an Available Health Care Agent

If I have appointed a health care agent by executing a health care power of attorney or similar instrument, and that health care agent is acting and available and gives instructions that differ from this Advance Directive, then I direct that:

\_\_\_\_\_ Follow Advance Directive: This Advance Directive will override instructions my health care agent gives about prolonging my life.

\_\_\_\_\_ Follow Health Care Agent: My health care agent has authority to override this Advance Directive.

***NOTE: DO NOT INITIAL BOTH BLOCKS. IF YOU DO NOT INITIAL EITHER BOX, THEN YOUR HEALTH CARE PROVIDERS WILL FOLLOW THIS ADVANCE DIRECTIVE AND IGNORE THE INSTRUCTIONS OF YOUR HEALTH CARE AGENT ABOUT PROLONGING YOUR LIFE.***

## 7. My Health Care Providers May Rely on this Directive

My health care providers shall not be liable to me or to my family, my estate, my heirs, or my personal representative for following the instructions I give in this instrument. Following my directions shall not be considered suicide, or the cause of my death, or malpractice or unprofessional conduct. If I have revoked this instrument but my health care providers do not know that I have done so, and they follow the instructions in this instrument in good faith, they shall be entitled to the same protections to which they would have been entitled if the instrument had not been revoked.

## 8. Want this Directive to be Effective Anywhere

I intend that this Advance Directive be followed by any health care provider in any place.

## 9. I have the Right to Revoke this Direction

I understand that at any time I may revoke this Advance Directive in a writing I sign or by communicating in any clear and consistent manner my intent to revoke it to my attending physician. I understand that if I revoke this instrument I should try to destroy all copies of it.

# HEALTH CARE POWER OF ATTORNEY

**NOTE: YOU SHOULD USE THIS DOCUMENT TO NAME A PERSON AS YOUR HEALTH CARE AGENT IF YOU ARE COMFORTABLE GIVING THAT PERSON BROAD AND SWEEPING POWERS TO MAKE HEALTH CARE DECISIONS FOR YOU. THERE IS NO LEGAL REQUIREMENT THAT ANYONE EXECUTE A HEALTH CARE POWER OF ATTORNEY.**

**EXPLANATION:** *You have the right to name someone to make health care decisions for you when you cannot make or communicate those decisions. This form may be used to create a health care power of attorney, and meets the requirements of North Carolina law. However, you are not required to use this form, and North Carolina law allows the use of other forms that meet certain requirements. If you prepare your own health care power of attorney, you should be very careful to make sure it is consistent with North Carolina law.*

*This document gives the person you designate as your health care agent broad powers to make health care decisions for you when you cannot make the decision yourself or cannot communicate your decision to other people. You should discuss your wishes concerning life-prolonging measures, mental health treatment, and other health care decisions with your health care agent. Except to the extent that you express specific limitations or restrictions in this form, your health care agent may make any health care decision you could make yourself.*

*This form does not impose a duty on your health care agent to exercise granted powers, but when a power is exercised, your health care agent will be obligated to use due care to act in your best interests and in accordance with this document.*

*This Health Care Power of Attorney form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.*

*If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses and proved by a notary public. Follow the instructions about which choices you can initial very carefully. Do not sign this form until two witnesses and a notary public are present to watch you sign it. You then should give a copy to your health care agent and to any alternates you name. You should consider filing it with the Advance Health Care Directive Registry maintained by the North Carolina Secretary of State: <http://www.nclifelinks.org/ahcdr/>*

## **1. Designation of Health Care Agent.**

I, \_\_\_\_\_, being of sound mind, hereby appoint the following person(s) to serve as my health care agent(s) to act for me and in my name (in any way I could act in person) to make health care decisions for me as authorized in this document. My designated health care agent(s) shall serve alone, in the order named.

A. Name: \_\_\_\_\_ Home Telephone: \_\_\_\_\_  
Home Address: \_\_\_\_\_ Work Telephone: \_\_\_\_\_  
Cellular Telephone: \_\_\_\_\_

B. Name: \_\_\_\_\_ Home Telephone: \_\_\_\_\_  
Home Address: \_\_\_\_\_ Work Telephone: \_\_\_\_\_  
Cellular Telephone: \_\_\_\_\_

C. Name: \_\_\_\_\_ Home Telephone: \_\_\_\_\_  
Home Address: \_\_\_\_\_ Work Telephone: \_\_\_\_\_  
Cellular Telephone: \_\_\_\_\_

Any successor health care agent designated shall be vested with the same power and duties as if originally named as my health care agent, and shall serve any time his or her predecessor is not reasonably available or is unwilling or unable to serve in that capacity.

**2. Effectiveness of Appointment.**

My designation of a health care agent expires only when I revoke it. Absent revocation, the authority granted in this document shall become effective when and if one of the physician(s) listed below determines that I lack capacity to make or communicate decisions relating to my health care, and will continue in effect during that incapacity, or until my death, except if I authorize my health care agent to exercise my rights with respect to anatomical gifts, autopsy, or disposition of my remains, this authority will continue after my death to the extent necessary to exercise that authority.

1. \_\_\_\_\_  
(Physician)

2. \_\_\_\_\_  
(Physician)

If I have not designated a physician, or no physician(s) named above is reasonably available, the determination that I lack capacity to make or communicate decisions relating to my health care shall be made by my attending physician.

**3. Revocation.**

Any time while I am competent, I may revoke this power of attorney in a writing I sign or by communicating my intent to revoke, in any clear and consistent manner, to my health care agent or my health care provider.

**4. General Statement of Authority Granted.**

Subject to any restrictions set forth in Section 5 below, I grant to my health care agent full power and authority to make and carry out all health care decisions for me. These decisions include, but are not limited to:

- A. Requesting, reviewing, and receiving any information, verbal or written, regarding my physical or mental health, including, but not limited to, medical and hospital records, and to consent to the disclosure of this information.
- B. Employing or discharging my health care providers.

- C. Consenting to and authorizing my admission to and discharge from a hospital, nursing or convalescent home, hospice, long- term care facility, or other health care facility.
- D. Consenting to and authorizing my admission to and retention in a facility for the care or treatment of mental illness.
- E. Consenting to and authorizing the administration of medications for mental health treatment and electroconvulsive treatment (ECT) commonly referred to as “shock treatment.”
- F. Giving consent for, withdrawing consent for, or withholding consent for, X-ray, anesthesia, medication, surgery, and all other diagnostic and treatment procedures ordered by or under the authorization of a licensed physician, dentist, podiatrist, or other health care provider. This authorization specifically includes the power to consent to measures for relief of pain.
- G. Authorizing the withholding or withdrawal of life-prolonging measures.
- H. Providing my medical information at the request of any individual acting as my attorney-in-fact under a durable power of attorney or as a Trustee or successor Trustee under any Trust Agreement of which I am a Grantor or Trustee, or at the request of any other individual whom my health care agent believes should have such information. I desire that such information be provided whenever it would expedite the prompt and proper handling of my affairs or the affairs of any person or entity for which I have some responsibility. In addition, I authorize my health care agent to take any and all legal steps necessary to ensure compliance with my instructions providing access to my protected health information. Such steps shall include resorting to any and all legal procedures in and out of courts as may be necessary to enforce my rights under the law and shall include attempting to recover attorneys’ fees against anyone who does not comply with this health care power of attorney.
- I. To the extent I have not already made valid and enforceable arrangements during my lifetime that have not been revoked, exercising any right I may have to authorize an autopsy or direct the disposition of my remains.
- J. Taking any lawful actions that may be necessary to carry out these decisions, including but not limited to: (i) signing, executing, delivering, and acknowledging any agreement, release, authorization, or other document that may be necessary, desirable, convenient, or proper in order to exercise and carry out any of these powers; (ii) granting releases of liability to medical providers or others; and (iii) incurring reasonable costs on my behalf related to exercising these powers, provided that this health care power of attorney shall not give my health care agent general authority over my property or financial affairs.

**5. Special Provisions and Limitations.**

(Notice: The authority granted in this document is intended to be as broad as possible so that your health care agent will have authority to make any decisions you could make to obtain or terminate any type of health care treatment or service. If you wish to limit the scope of your health care agent’s powers, you may do so in this section. If none of the following are initialed, there will be no special limitations on your agent’s authority.)

- A. Limitations about Artificial Nutrition or Hydration: In exercising the authority to make health care decisions on my behalf, my health care agent:

\_\_\_\_\_ shall NOT have the authority to withhold artificial nutrition (such as through tubes) OR may exercise that authority only in accordance with the following special provisions:

\_\_\_\_\_ shall NOT have the authority to withhold artificial hydration (such as through tubes) OR may exercise that authority only in accordance with the following special provisions:

***NOTE: If you initial either block but do not insert any special provisions, your health care agent shall have NO AUTHORITY to withhold artificial nutrition or hydration.***

\_\_\_\_\_ B. Limitations Concerning Health Care Decisions. In exercising the authority to make health care decisions on my behalf, the authority of my health care agent is subject to the following special provisions: [Here you may include any specific provisions you deem appropriate such as: your own definition of when life-prolonging measures should be withheld or discontinued, or instructions to refuse any specific types of treatment that are inconsistent with your religious beliefs, or are unacceptable to you for any other reason.]

***NOTE: DO NOT initial unless you insert a limitation.***

\_\_\_\_\_ C. Limitations Concerning Mental Health Decisions. In exercising the authority to make mental health decisions on my behalf, the authority of my health care agent is subject to the following special provisions: [Here you may include any specific provisions you deem appropriate such as: limiting the grant of authority to make only mental health treatment decisions, your own instructions regarding the administration or withholding of psychotropic medications and electroconvulsive treatment (ECT), instructions regarding your admission to and retention in a health care facility for mental health treatment, or instructions to refuse any specific types of treatment that are unacceptable to you.]

***NOTE: DO NOT initial unless you insert a limitation.***

\_\_\_\_\_ D. Advance Instruction for Mental Health Treatment. [Notice: This health care power of attorney may incorporate or be combined with an advance instruction for mental health treatment, executed in accordance with Part 2 of Article 3 of Chapter 122C of the General Statutes, which you may use to state your instructions regarding mental health treatment in the event you lack capacity to make or communicate mental health treatment decisions. Because your health care agent's decisions must be consistent with any statements you have expressed in an advance instruction, you should indicate here whether you have executed an advance instruction for mental health treatment]:

***NOTE: DO NOT initial unless you insert an indication.***

\_\_\_\_\_ E. Autopsy and Disposition of Remains. In exercising the authority to make decisions regarding autopsy and disposition of remains on my behalf, the authority of my health care agent is subject to the following special provisions and limitations. (Here you may include any specific limitations you deem appropriate such as: limiting the grant of authority and the scope of authority, or instructions regarding burial or cremation):

***NOTE: DO NOT initial unless you insert a limitation.***

**6. Organ Donation.**

To the extent I have not already made valid and enforceable arrangements during my lifetime that have not been revoked, my health care agent may exercise any right I may have to:

\_\_\_\_\_ donate any needed organs or parts; or

\_\_\_\_\_ donate only the following organs or parts: \_\_\_\_\_

***NOTE: DO NOT INITIAL BOTH BLOCKS ABOVE.***

\_\_\_\_\_ donate my body for anatomical study if needed.

\_\_\_\_\_ In exercising the authority to make donations, my health care agent is subject to the following special provisions and limitations: (Here you may include any specific limitations you deem appropriate such as: limiting the grant of authority and the scope of authority, or instructions regarding gifts of the body or body parts):

\_\_\_\_\_  
\_\_\_\_\_

***NOTE: DO NOT initial unless you insert a limitation.***

***NOTE: NO AUTHORITY FOR ORGAN DONATION IS GRANTED IN THIS INSTRUMENT WITHOUT YOUR INITIALS.***

**7. Guardianship Provision.**

If it becomes necessary for a court to appoint a guardian of my person, I nominate the persons designated in Section 1, in the order named, to be the guardian of my person, to serve without bond or security. The guardian shall act consistently with G.S. 35A-1201(a)(5).

**8. Reliance of Third Parties on Health Care Agent.**

- A. No person who relies in good faith upon the authority of or any representations by my health care agent shall be liable to me, my estate, my heirs, successors, assigns, or personal representatives, for actions or omissions in reliance on that authority or those representations.
- B. The powers conferred on my health care agent by this document may be exercised by my health care agent alone, and my health care agent’s signature or action taken under the authority granted in this document may be accepted by persons as fully authorized by me and with the same force and effect as if I were personally present, competent, and acting on my own behalf. All acts performed in good faith by my health care agent pursuant to this power of attorney are done with my consent and shall have the same validity and effect as if I were present and exercised the powers myself, and shall inure to the benefit of and bind me, my estate, my heirs, successors, assigns, and personal representatives. The authority of my health care agent pursuant to this power of attorney shall be superior to and binding upon my family, relatives, friends, and others.

## **9. Miscellaneous Provisions.**

- A. **Revocation of Prior Powers of Attorney.** I revoke any prior health care power of attorney. The preceding sentence is not intended to revoke any general powers of attorney, some of the provisions of which may relate to health care; however, this power of attorney shall take precedence over any health care provisions in any valid general power of attorney I have not revoked.
- B. **Jurisdiction, Severability and Durability.** This Health Care Power of Attorney is intended to be valid in any jurisdiction in which it is presented. The powers delegated under this power of attorney are severable, so that the invalidity of one or more powers shall not affect any others. This power of attorney shall not be affected or revoked by my incapacity or mental incompetence.
- C. **Health Care Agent Not Liable.** My health care agent and my health care agent's estate, heirs, successors, and assigns are hereby released and forever discharged by me, my estate, my heirs, successors, assigns and personal representatives from all liability and from all claims or demands of all kinds arising out of my health care agent's acts or omissions, except for my health care agent's willful misconduct or gross negligence.
- D. **No Civil or Criminal Liability.** No act or omission of my health care agent, or of any other person, entity, institution, or facility acting in good faith in reliance on the authority of my health care agent pursuant to this Health Care Power of Attorney shall be considered suicide, nor the cause of my death for any civil or criminal purposes, nor shall it be considered unprofessional conduct or as lack of professional competence. Any person, entity, institution, or facility against whom criminal or civil liability is asserted because of conduct authorized by this Health Care Power of Attorney may interpose this document as a defense.
- E. **Reimbursement.** My health care agent shall be entitled to reimbursement for all reasonable expenses incurred as a result of carrying out any provision of this directive.

By signing here, I indicate that I am mentally alert and competent, fully informed as to the contents of this document, and understand the full import of this grant of powers to my health care agent.

This the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

\_\_\_\_\_ (SEAL)

I hereby state that the principal, \_\_\_\_\_, being of sound mind, signed (or directed another to sign on the principal's behalf) the foregoing Health Care Power of Attorney in my presence, and that I am not related to the principal by blood or marriage, and I would not be entitled to any portion of the estate of the principal under any existing will or codicil of the principal or as an heir under the Intestate Succession Act, if the principal died on this date without a will.
