Subject: Coach Evaluation

To provide the best soccer playing experience for your children, we would appreciate your opinion regarding your child's soccer experience. Results will be reviewed by the Travel Director, the Training Coordinator and the Board of Directors for possible program modifications. To encourage candid comments, respondents may choose to remain anonymous. Results of this survey will be used to identify general training requirements and to help individual coaches improve specific skills. Completed evaluation forms will not be given to coaches unless specifically requested in your comments below; otherwise, comments will be summarized and communicated as part of coaches' development and training. Completed forms are to be mailed to the Lynbrook/East Rockaway Soccer Club, P.O. Box 2, East Rockaway, NY 11518

The Club relies on the generosity of volunteer coaches who spend many hours with their teams. Please remember to thank your child's coach for his/her contribution this season. Thank you for your feedback.
