Dear Parents (Guardians):

To celebrate the successes and hard work of our students, an end-of-the-year field trip to **Universal Islands of Adventure** has been planned for eighth grade. The cost of the trip will include transportation, admission to the park, a lunch coupon and a t-shirt for safety.

This special event will take place on **Friday, May 29th**. We will be leaving promptly at 5:45 a.m. and returning no later than 10:30 p.m. In order for a student to attend the end-of-the-year trip, he/she must comply with the Falcon Cove Discipline Plan, demonstrating outstanding behavior from **January 9, 2015 through May 29, 2015**. A student who receives any of the following will lose his/her privilege to attend the Universal Studios trip:

- Two (2) referrals with administrative action
- Two (2) Saturday school detentions for off track behaviors
- One Alternative to Suspension or One External suspension

As we prepare to transition our students to 9th grade, we want to use this field trip as an opportunity for them to show their growing sense of responsibility and maturity. To do this, we will be allowing the students to walk around the park with their peers in groups. They will be responsible for meeting with their adult chaperones throughout the day to check in. We have found the students to be very successful with this format.

We are looking forward to having a great time. Thank you in advance for your support and cooperation. Please encourage your child to maintain the level of behavior expected at Falcon Cove to join in the fun.

Sincerely,

W. David Segarra
