

General Information

This report serves two purposes - to balance the total North Carolina income tax withheld as listed on the W-2 and 1099 statements with the amount required to be withheld for the year, and to act as a transmittal form for the N.C. copies of the W-2 and 1099 statements. This report with the copies of the W-2 and 1099 statements for the preceding calendar year must be filed on or before February 28. If your business terminates during the year, the report should be filed within thirty days of the last payment of compensation.
