

RAM READS VOLUNTEER READING PROGRAM

Volunteers are invited to serve as volunteer Ram Readers for Greeneview Elementary School.

RamReader volunteers work with children one-to-one. They read to the students, listen to them read, and play reading games. An hour each week to be a RamReader volunteer is all it takes to help a child read, or read better!

If you would like to help make a difference in the life of a child, please complete the form below and return it to the Greeneview Elementary Office. If you prefer, you may give me a call at school 675-6867.

Sincerely,

Julie Garringer
