Time is flying, so is Summer! It will be Ski season soon enough!! Trips will be opening in September and October, so save your \$\$ **PLEASE READ THE TRIP POLICY AND ALL RELATED POLICIES IN ADVANCE SO YOU KNOW THE ROUTINE FOR SIGN-UPS ETC.** If unsure, send an email or ask at a meeting. Please ONLY direct your questions to the appropriate Committee, ie: Alpine Trips for Trips, Alpine or XC Buses for the Bus schedules and procedures.

Membership / Applicant for ALL membership questions and so on. I know it's easier to ask the first person you see, or someone you know, BUT they may not have the up to date accurate information and you may miss out on something as a result. Not every Officer or Committee knows the latest on all the Committees as things can change in a heartbeat. I actually suggest you really check out the info on the Website as it will save a lot of time, and many questions but, also keeps you up

to date on your Club, its budget/ activities/policies/procedures/ spending and the people keeping it all going for **ALMOST 55 YEARS!** The September meetings will see the return of the Power Point display with current information. If YOU have anything you want the Members to know about (activities, events or deals), it can be put into the weekly PowerPoint, on the Web or in the Weekly emails. Let us know at least 3 days in advance. The Weekly emails go out on Tuesdays, so let the Committee (Activities, Buses, Trips etc.) or the VP (Admin or Skiing) know of any events by the Saturday prior. Info for the PowerPoint should be sent

by Monday to the President for a Thursday meeting. Enjoy the rest of August, whether at the Track, the Beach, Camping, kayaking etc...! Hope you got to the OC Picnic, the Happy Hours and hooked up at Alive@5 or Rockin' on the River. It has been a busy Summer, but there is still more fun to be had! And, speaking of Fun- the OC Volleyball Tournament is coming up in September and it is ALWAYS a fun time. Please consider volunteering some time if you are not already playing on a Team. Many hands make light work, and many great memories too!! See the Article in this LiftLine...

I hope that all of you have been enjoying the fruits and fun that summer has to offer. The raspberries in my backyard are done for the year. That is a bummer, because the ones from the market are just not as good as they are!

winners! I love the tradition and fashion that is so prevalent in Saratoga, especially during track season. It is the summer place to be!

and are figuring out what to bring so you can win the prize for culinary effort! See you there!

on the third Wednesday of September, which is September 16th. That is also two days before the start of Volleyball tournament weekend. Please think about volunteering to help out for this important event for the club. Many hands make light work! We need your help!

When you read this, the fun of opening day at the Saratoga Race Track will be a memory. Hopefully some of us who were there were

Another summer place to be is at the OC summer picnic on Saturday, August 1st Hopefully you will read this before then and get in on the fun. I am sure you have already made plans to attend

I also hope to see you at the Barge in Albany on Wednesday, August 19th for our HH/meeting. The Barge has accommodated us very nicely this summer and we have had quite a good turnout at each meeting. Please come out and make this last one extra good!

That is all for now. Please consult the website for any updates or changes. Enjoy your August!

The September mid month meeting date has been changed to September 23rd. There was a scheduling conflict on the part of the PCC. So, we will go bowling

See you out and about...

IT'S SUMMER!

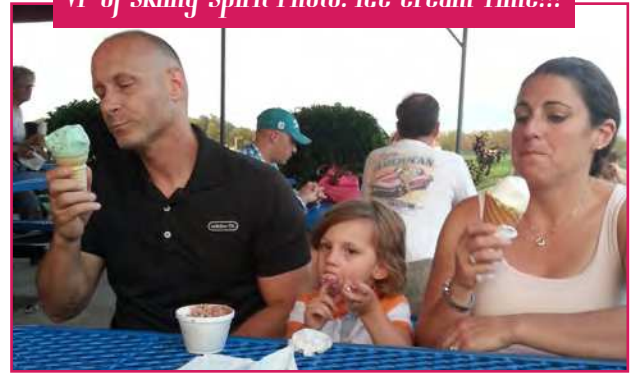

Ok, I am sitting in an air-conditioned room in early July typing this article. What do I write about, it's the middle of summer and this is for the August Liftline. All I can say is I can't wait for the snow! Golf is Ok but it's not dodging trees.

OK, I did have a good time watching the fireworks on the Mohawk though I didn't like the idea that it was also Richard's farewell party. Richard, you embraced the OC spirit by volunteering your time and

knowledge to help this Club and your fellow members. All I can say is "Keep Calm and keep on Skiing."

You will find the finalized Alpine trip schedule in this Liftline. Plan now with your friends on what trips you are going to do. As usual they will fill up fast so don't delay. Trips open in September, so be sure to have your membership up to date. You cannot sign up unless you have paid this year's memberships dues.

VP of Skiing Spirit Photo: Ice Cream Time!!!

REMEMBER!

Volleyball tournament needs volunteers. This fundraiser is one reason why it costs so little to ski with the Club. Please do your part to help the Club with this project. Thank you in advance for your time!

Alpine Trip Notes

» Kathy Howard
Chairperson
email - alpinetrips@ocskiclub.org

September 3rd is the Kick-Off for the 2015/16 Ski Season.

Can you believe that it is already time to start planning for the ski season? It is!

All trips will be represented at the September 3rd meeting. Three trips (Cortina, Italy – New Year's Eve in the Eastern Township of Quebec, Canada -- Smuggler's Notch) will be opening on September 3rd. The remaining trips will open in October.

This month's Lifeline has a summary of the trips. This will give you the basic information regarding the scheduled trips. The trip leaders will have more information by the time of the Kick-Off.

Please note the following:

1 Trip prices are determined by the cost to the club for the trip. Any benefits we receive for our participation are used to offset the cost to our members. For example, sometimes we get an early contracting bonus. We apply that credit to our costs. We generally get a free room/flight/ticket for every 20 paid slots. These again are used to offset our costs and to provide recognition to the Trip Leaders for their time and work.

2 Recognition in the form of a discounted trip price is given to the Trip Leaders. Therefore, it is not necessary to give a Trip Leader gift. Please do not ask anyone to donate to a group gift. If you would like to recognize the Trip Leader, please do so individually.

3 For Bus trips, there is a fixed cost that must be covered regardless of the number of participants. If a trip does not have the full number of budgeted participants, adjustments may be made to the trip package to keep the trip financially viable. To avoid issues, drive-up options will not be accepted until the bus slots are completely full. Additionally, there is always a possibility that the trip could be cancelled or changed. There is also a possibility that a price can be reduced if we can exceed the budgeted number of participants.

4 Some trips have a contingency built into the price. If we see that this contingency fund is not needed, the final trip payment may be reduced.

Cortina

I have tried my best to provide a variety of trip options with reasonable pricing. I have taken input from members in selecting trip locations. I hope you enjoy the 2015/16 Ski Season. As always, I welcome your feedback at alpinetrips@ocskiclub.org.
