The Canadian Network for Research on Terrorism, Security and Society (TSAS)
APPLICATION FOR AFFILIATION FOR SENIOR RESEARCHERS

☐ Prof. ☐ Dr. ☐ Mr. ☐ Ms.

Last Name	First Name	Professional Title (if applicable)

Department	Organization

Organization Address

City	Province	Postal Code

Telephone	Fax	E-mail

Personal Website and/or Twitter	Application Date

Select the Research Theme(s) most closely related to your area of interest (rank choices if more than one).
(See here for descriptions of themes)

☐ Terrorist Radicalization   ☐ Security Responses   ☐ Societal Context

Relevant Publications: (Please list up to five. These may be posted on the TSAS website.)

1)
2)
3)
4)
5)

Key Areas of Research: Please choose up to SIX keywords from the following pages. Choosing a higher-level category is one keyword, and will include its subcategories. Addition of categories is considered on a case-by-case basis, and can be indicated below.

Please check the following boxes to indicate your understanding and agreement:

☐ **I agree to have my name and affiliation will be posted on the TSAS website as a Senior Researcher**
☐ **My email address will be added to the TSAS listserv**
☐ **I will send an annual report to TSAS for its use in compiling annual reports to SSHRC** (see last page for details)
☐ **I will notify TSAS of any relevant publications and/or conference/workshop presentations**

Please answer the following:
☐ **Yes** ☐ **No   I would be willing to speak to media about my interests**

If yes, list the languages (other than English) that you are able to communicate in:

Attach a copy of your brief CV (e.g. one used for a SSHRC application) and a statement of relevance (250 words max) explaining why you wish to affiliate with TSAS and how your previous work, training, and future plans relate directly to terrorism, security, and society.

Please forward completed application and accompanying documentation to:
The TSAS Executive Committee

Reporting on Research Activities

TSAS requires all affiliates to submit **a list of their research activities on April 30th each year.** This is a requirement for holding a SSHRC grant and our annual report must be structured using the categories below. TSAS will accept a copy of annual departmental reports submitted to home universities.

1. Funded Research projects
2. Books and research monographs (peer - reviewed): (please include ISBN number and digital link to where publication may be obtained):
3. Books and research monographs (non peer - reviewed)
4. Book chapters (peer-reviewed)
5. Book chapters (non peer-reviewed)
6. Journal articles (peer-reviewed)
7. Journal articles (non peer-reviewed)
8. Other publications
9. Academic conferences/events (proceedings, organizations, papers, etc.) at which you have presented in past year
10. Media engagement (list date, subject, and name of publication, radio/tv station: interviews, op-eds, etc.):
11. Have you attended any TSAS workshops or the Academy to date?
a. If so, which ones have you attended?
12. Do you use Twitter? Yes / No
    If so, do you follow @TSASNetwork? Yes / No
a. If you would like TSAS to follow you, please provide your Twitter handle:
13. Please provide any comments relevant to TSAS

This document should be sent in the form of a Word file as an e-mail attachment (not copied and pasted into the body of an e-mail). It should include full bibliographic citations for all publications, the title, amount and funding agency for funded research projects, and provide the title, date and place of presentations and lectures.
