LANDLORD SERVICE PROGRAM FORM

This program is designed to keep the service active at a rental property location as tenants at the location change. When a tenant requests a move-out, services are automatically transferred to the Landlord's account, which will remain active until the new tenant signs up for service. If an account is cut for nonpayment and finalled out, the account will not automatically go into the Landlord's name. The Landlord must call to have service connected at no charge.

Legal name of individual or company requesting participation:

Mailing address for bills:

City: _____ State: _____ Zip Code: _____

Contact Name: _____

Title: _____ Phone: _____

Signature: _____ Date: _____

List all CPW accounts to be included in the Landlord Service Program (including outdoor lighting if applicable):
