- There must be a proper ratio of lifeguards to participants. Proper certification (lifeguard certificate) and photo ID must be presented to the person in charge of camp facilities before the pool is used. A copy will be made and kept in the camp office.
- For Canoe or Paddle Boat Rental a Lifeguard is required.

- **NO SWIMMING IN THE LAKE.**

Low Ropes Challenge Course

Description: Our Low Ropes Challenge Course promotes teamwork. Groups are given a task to accomplish that at first seems difficult or impossible. The group must problem solve, communicate, and work together in order to achieve success. The experience is then discussed with a trained facilitator and connections are made to work place/real world environments. All activities on a low ropes challenge course are on the ground or not more than two feet above the ground. Research has found that when people work together outside of their comfort zone to accomplish a goal, a strong environment for positive change does occur. Low ropes challenge courses are designed for groups of all ages and types. The key factor is a group of people wishing to participate. Usually, groups of 8-12 are most desirable. **Requirements:**

- The course fee is \$5.00 per participant plus an hourly rate of \$15-\$20/hr. for each facilitator. The facilitator is contracted and will determine the hourly fee to be charged. The responsible person for the group will negotiate this hourly rate and the number of facilitators with the facilitator. Example: For 4 hours of time on the course, each participant will pay \$5 and the facilitator will receive between \$60-\$80 for his/her services paid directly to the facilitator.
- The course fee covers course rental and equipment usage.
- Ratios: One facilitator is needed for every 8-12 people. There must be a minimum of 5 people in the group. We can provide the names of facilitators that may be available and you can negotiate directly with him/her.
- Groups may choose to provide their own facilitator(s). A copy of the facilitator(s) training certifications from a professional organization must be provided for our records and approved by the State 4-H Office prior to scheduled activity dates. Call for pricing.

High Ropes Challenge Course

Description: The High Ropes Course at North Central consists of a Zip Line and a Climbing Wall. It is available for rental by outside groups.

Requirements:

The course rental fee will be \$18 per person.

- Two facilitators are required for use of the Zip Line and the Climbing Wall.
- Groups may provide their own facilitators, however proof of Professional training must be provided on each facilitator. Please contact the State Camping Specialist and 859-257-5961 or email dfox@uky.edu to find out whether the training of the facilitator that you wish to provide meets our requirements. A copy of this certification must be provided for our records.
- We do not provide insurance for outside groups. This is the group's responsibility and we suggest that you purchase short term event insurance for your group.
- The group may have a maximum of 12 participants and a minimum of 5.
- For groups not bringing their own facilitators, we will assist by providing a list of trained facilitators. The group however negotiates directly with the head facilitator. The rate per facilitator is between \$15-\$20 per hour and a typical time to complete the course is 4 hours. Course facilitators are paid directly by the group at the close of the last session they work.
- All participants must receive the General Information Flyer and must sign the Participations Agreement. These documents are available for download from the Kentucky 4-H camping website at www.kentucky4h.org/lake-cumberland . If the participant is less than 18 years of age, the parent or guardian must read and sign the Participation Agreement. The signed agreement must be presented upon arrival at camp for our records. No one without a properly signed Agreement will be permitted on the High Ropes Challenge Course.
