74	Dental Nursing
75	Working with Children & Young People

Note 2

Each route to LCGI has specific qualification criteria, details of which are available from the Senior Awards Administrator. As a minimum requirement, applicants must hold a level 3 qualification (eg NVQ level 3, City & Guilds Advanced Craft, BTEC National Diploma). Career extension evidence may take the form of a further qualification (eg NEBS Management Certificate, City & Guilds Further and Adult Education Teachers Certificate), membership of a relevant professional body, or confirmation of satisfactory performance in a supervisory or managerial role for applicants over 26 years of age.

Photocopies of all relevant certificates should be submitted with the application form.

Note 3

Applicants must provide evidence that they have performed competently in a relevant work environment. Evidence of industrial achievement may take the form of an industrial qualification (eg an industry-recognised apprenticeship) or confirmation from a current or recent employer of at least five years' appropriate employment, on letter headed paper.
