NUTCRACKER’S NUTS

DayTrippers Dinner Theater - Plymouth Playhouse

The play opens at a meeting of the Residents’ Council of Simon’s Rest, a retirement community in Frankfort, Michigan. For years the committee has relied on an annual performance of *A Christmas Carol* as a holiday fundraiser, but the guy who plays Scrooge can’t remember his lines anymore. After the loss of their director, the program committee decides to look for another script. Not realizing it’s a ballet, they plan a production of the *Nutcracker*. When they find out it is a ballet the residents want to back out. But it’s too late! The show is sold out and they come to realize that the show must go on. Think of it as your only chance to see the *Nutcracker* performed with walkers. **Your fee includes chartered coach ride, dinner buffet, and reserved ticket.**

What is ECFE?

Early Childhood Family Education?

Recognizing that parents are a child's first and most significant teachers, ECFE offers a variety of classes and resources for parents and children, birth through kindergarten age. ECFE helps build healthy families and sets the stage for parent involvement and children's success in Kindergarten to Grade 12 Education.

What does a typical ECFE class include? Most ECFE classes meet once a week and include:

Parent-Child Activity Time where families explore a classroom filled with developmentally appropriate play and learning activities planned by a licensed early childhood teacher.

Parent Discussion Time where parents meet with a licensed parent educator to share support, experiences, and information about child development and parenting techniques.

Children's Activity Time where children learn with the licensed early childhood teacher and paraprofessional and practice social skills as they interact with each other.

What are the benefits of ECFE? ECFE works to strengthen families and engage the ability of all parents to provide the best possible environment for the healthy development of their children. Parents participate in educational activities with their children, and support each other by sharing their successes and challenges.

Research on early brain development, parent-child relationships, child development and guidance techniques are presented as practical information for parents.

NEW LAKEVIEW LAKER BABIES!

Congratulations on the birth of your child! If you live in the Lakeview School District, please call Amanda Berg, at 507-423-5164 to make arrangements to pick up your special ECFE baby bag.

PLAY WITH PURPOSE

Ages: Birth through PreK

Educators: Bonnie Wasberg and Amanda Berg

Donations Needed

for the Lakeview Backpack Program

Lakeview PTO is supporting the backpack program this year by asking Laker families and the community to donate new tied fleece blankets and a new book for the students in the backpack program. Some students need the extra warmth during the winter that a blanket can bring and having a new book to read will encourage them to read while cuddled up in their new blanket. We have students in all grades, from Kindergarten to 12th grade, who are participants. We need 55 fleece tied blankets and new books for ages 5-18. The blankets are very easy to make and you can buy the fleece at Walmart, online websites, or any fabric store. The patterns and colors are up to you. Please make them big enough to cover a twin bed.

Instructions to make these can be found at <http://www.wikihow.com/Make-a-Fleece-Tie-Blanket>. If your family just does not have the time to make a blanket, that's okay. You can still donate the fleece. We have students and others in the community who would love to help out making blankets. We just want to make sure we get enough for every student in the backpack program. Thank you for your donation! **We will need these blankets, books, and donated fleece by Friday, October 23rd.**

The backpack program was initiated in 2011 by the Walmart in Marshall. The goal was to help support the families who need a little extra nutrition for the weekends. Since beginning the program, the community support has been overwhelming. The community has been supportive in food drives, hygiene supply collections, and private donations. To date, most of the weekly food items are purchased with community donations. Walmart continues to be supportive when our funds run low or we need to make the bags a little heavier for longer weekends, packing the bags, and transporting them. Words do not describe how proud I am to be able to be a part of this program and community. It's great to be a Laker!
