

Student Peer Evaluation Form

This form is used for students to evaluate the participation and contribution of team members to group projects and assignments. Write the names of all group members across the top for each person in your group. Place a "Y" in the box below each group member's name for the behaviors which they displayed during the group work. Place an "N" in the box for behaviors they did NOT display. Submit to the faculty as directed in your course.

Course _____
 Semester / Year _____

Y = Yes
 N = No

GROUP PARTICIPATION / CONTRIBUTIONS

Functional Behaviors <small>(helped complete the task and maintain positive group process)</small>									COMMENTS
1. Took initiative in actively working toward group goals
