

Year 10 Option Choices 2013-2015

NAME:.....

FORM:.....

Curriculum Specialist.....

Parental Signature

All students study: English, Mathematics, Science, PE and Learning for Life –these will be equivalent to a minimum of 4 GCSE Qualifications.

In addition students will study 4 optional learning subjects across Years 10 and 11.

Before choosing your options, consider your choices for Key Stage 4 and beyond. These will be recorded under “Future Planning”.

Your curriculum specialist will interview you to discuss and confirm your choices.

Circle your 4 optional learning subjects for Years 10 and 11 from the list below.
