Field Trip Release Form for the 07-08 School Year

- Before allowing any child attending school in USD 320 to participate in a field trip within the city limits or elsewhere; the school requires this form to be signed by either parent or guardian. We (the parents or guardian) understand arrangements have been made to take field trips for educational experiences. We believe that the necessary precautions and plans for care and supervision have and will be taken. Beyond this we will not hold the school or those supervising the educational trip responsible. A note will be sent home prior to all field trips.

Emergency School Closing

- If school is closed earlier than normal because of weather or an emergency, students are to know what they are to do! BECAUSE OF NECESSITY, phone calling must be kept to a BARE MINIMUM.

Listed below are detailed instructions as to what my child is to do in case of an emergency school closing, including phone numbers if needed. I have discussed this important information with my child.
