- I confirm these dingo scalps were secured on this property.
- The property is within the Diamantina Shire Council region and current property details including the property name and lot/plan number have been provided.
- The individual had permission to hunt dingos on this property.
- The scalps were not from animals that have died due to the consumption of 1080 (sodium fluoroacetate) or strychnine baits.

And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the provisions of the Oaths Act 1867.
