

FIRST CLASS COVERAGE

Enhance your insurance coverage through your CIEE program. You may purchase a First Class* supplemental rider to add the following coverages:

- Limited hazardous sports coverage (includes activities such as mountaineering, scuba diving and bungee jumping; please see the certificate wording for a complete listing of activities)
- Coverage for amateur athletics
- Trip cancellation coverage up to \$1,000 when one of the following events occurs: 1) unexpected death, serious illness or accident of the Insured or a relative, 2) pregnancy or vaccination intolerance, 3) substantial damage to the Insured's principal residence, or 4) the Insured becomes employed if he or she was unemployed when the trip was booked and the government employment office approved the trip; please see the certificate wording for complete details; CIEE and airline cancellation fees are covered
- Enhanced dental treatment up to \$350 for relief of sudden and unexpected pain to sound, natural teeth; up to \$500 for treatment due to accidents
- Coverage for loss or theft of baggage up to \$1,500; loss or theft of valuables up to \$1,000; loss or theft of personal papers up to \$500

**Conditions, limitations, and exclusions apply. See certificate wording for detailed coverage information. Certificate wording is available prior to purchase by contacting the number in the box below. The rider is administered by International Medical Group® and underwritten by Sirius International Insurance Corporation (publ).*

Sign up today, and for a minimal additional premium, receive important benefit enhancements! To be eligible for trip cancellation benefits, you must sign up for this rider at the same time you book your CIEE program.
