Tabor
THIRTEENTH ANNUAL
Captains of Industry Gala
"Rising Above It All"

The purpose of Tabor 100's annual Gala is three-fold:

To raise money for the Dr. William Bradford Scholarship Fund and for the Tabor 100 organization. Monies from the Bradford Scholarship Fund are awarded to African-American college students as well as grants to organizations and initiatives focused on education. Other monies from net proceeds will be used to support the mission and volunteer-driven good works of Tabor 100.

Through our "Crystal Eagle" awards, the Gala serves as a platform to provide individual recognition to people who display excellence in Economic Development, Legislative Action, Education, Community Service, Public Affairs, as well as Lifetime Achievement.

Additionally, the Gala provides a venue where the minority and majority business communities have an opportunity to meet and connect socially.

Our goal this year is to raise an additional \$100,000 for our Educational Endowment, which supports several Tabor 100 scholarships, along with other education projects. Gala Sponsorship is a wonderful way to support the overall efforts and initiatives of Tabor 100. Please consider the following Sponsorship opportunities:
