Dear Parents

College Sporting Scholarship

This scholarship is an effort to support a student and his family where sporting talent has been obvious or potential is obvious. The scholarship will be awarded for 2016/17 to a student who excels at one sport or is a genuine all round sportsman. Application forms are available from the Enrolment Office or on the College website.

This scholarship is separate to the College Board Scholarship for academic potential, the Catholic Women's League Scholarship, and the Edmund Rice Scholarship (P&F sponsored) which are also on offer.

The criteria on which the Sporting Scholarship will be awarded are as follows.

1. That the applicant has shown sporting expertise in one or more sports at an above average level.
2. That the applicant has demonstrated the potential and work ethic required from a senior student and has the academic ability to complete two years of senior schooling to their potential while keeping their sporting participation active.
3. That the applicant has made some contribution to the life of St Edward's, in the past, or could in the future in the sporting arena, or other area of endeavour.
4. That the family is willing to co-operate with the ethos and policies of this Catholic school.

If the above criteria are insufficient to choose between a number of students, family financial need could be considered (hence this information is invited but not compulsory). Should the committee still find it difficult to separate applicants they might recommend to me that two or several half scholarships be offered.

The scholarship will cover \$3000 toward the tuition fees of the successful applicant. Remaining tuition fees, specialist subject fees, service fees, sporting fees and building fund contributions remain the responsibility of the family. The scholarship amount will be deducted over the three term fee billing period each year.

The student and parents should complete their sections of the application form and return it to the College. Please supply any relevant support material which you think may aid the application.

The application forms will be kept in strictest confidence by myself and will only be viewed by three College Executive members with the name and front cover removed. Applications are due by **Friday 30 October 2015**.

Yours sincerely

Dr Michael Slattery
Principal
