

BUSINESS REPORT FOR ABC LTD

Report Title	Business Report
Reporting Period	Nov 01 2013 - Nov 04 2013
Customer Name	ZENTRUM FUER PSYCHATRIE
Customer Location	SC###_PFARRER LEUBE STR 29,BAD SCHUSSENRIED,BADEN- WUERTTEMBERG,DE

Table of Contents

1. Executive Summary
2. Administrative Summary
3. Services Run
4. Health and Stability Statistics
5. Remote Access
6. Network Discovery Details
7. Network Inventory Details
8. Core Assess and Repair
9. Disaster Recovery Details
10. IPS Signature Update Service Details
11. Security Assess and Repair
12. Voice Assessment
13. Device Type Summary
14. IPv6 Assessment
15. Medianet Assessment

Unless otherwise mentioned, timings specified in this report are in Greenwich Mean Time (GMT).

Executive Summary

Administrative Summary

Administrative Summary	
Contract	
Contract type	Multiple Service Level
Contract number	PRA1022
Contract period	Oct 22 2013 - Jan 20 2014
Services enabled	Core, Security, and Voice
* Network Weight is the sum of the current contract weight and the new validated devices	
Discovery	
Number of devices discovered	1
Number of Unknown devices discovered	1
Number of Cisco devices discovered	0
Number of Unsupported devices discovered	0
Inventory	
Number of Inventoried devices	35
Number of Phones	112
Number of Access Points	0
Number of New devices in Inventory during reporting period	0
Number of Missing devices	4
Number of devices deleted during the reporting period	1
Collector	
Type of Collector	Hardware
Location of Collector	SC###_PFARRER LEUBE STR 29,BAD SCHUSSENRIED,BADEN- WUERTTEMBERG,DE
Version of Collector	1.13.62.0
Number of Voice Quality Reflectors installed	0
Number of Installed-at sites	1

Services Run

Services Run	
Is Discovery service scheduled?	No
Partner scheduled Discovery	
Cisco required Discovery	
On-demand runs	0
Is Inventory service scheduled	No
Scheduled frequency	
On-demand runs	0
Core Services	
Remote Accesses (unique devices accessed)	0
Disaster Recovery (unique devices backed-up)	0
Core Active Monitor schedule	
Is Core Passive Monitor configured?	Yes
Core Assess and Repair (unique devices assessed)	0
Security Services	
Is Security Passive Monitor configured?	No
IPS Signature Update service (unique devices assessed)	0
Security Assess and Repair (unique devices assessed)	0
Voice Services	
Voice Active Monitor schedule	
Is Voice Passive Monitor configured?	No
Voice Assessment (unique devices assessed)	0
Is Voice Quality Monitor configured?	No

Health and Stability Statistics

Core Active Monitor	
Number of devices monitored	0
Number of CPU Utilization alarms	0
Number of device down alarms	0

Core Passive Monitor	
Number of devices monitored	1
Number of Syslog messages	0

Security Passive Monitor	
Number of devices monitored	0
Number of Syslog messages	0

Voice Active Monitor	
Number of applications monitored	0

Voice Passive Monitor	
Number of devices monitored	0
Number of Syslog messages	0

Voice Quality Monitor	
Number of active Reflectors	0

Syslog Capacity	
Number of threshold alarms	0

Remote Access

Remote Access Details	
Number of remote access sessions	0
Number of unique devices accessed	0

Network Discovery Details

Network Discovery Details	
Number of New devices	0
Number of Missing Devices	4

Missing Devices				
IP Address	Host Name	Device Type	Found to be Missing at	Source
10.8.0.2	T8-BO1-R2821	Cisco 2821	Oct 28 2013 10:23	Auto
172.23.183.183	ESX1	Cisco CSCS2500K9	Oct 28 2013 10:23	Auto
192.168.99.3	router-99	Cisco 3745	Oct 28 2013 10:23	Auto
192.168.99.16	SR-520	Cisco SR520-FE-K9	Oct 29 2013 12:41	Auto

Network Inventory Details

Network Inventory Details	
Number of devices added to inventory	0
Number of devices removed from inventory	1

Removed Devices				
IP Address	Host Name	Device Type	When Noticed	Source
192.168.99.13	Router-1861-SRSI-B/K9	Cisco C1861-SRST-B/K9	Nov 04 2013 05:01	Auto

Core Assess and Repair

Core Assess and Repair	
Number of devices assessed	0
Number of devices that had issues	0
Number of issues found	0
Number of issues open	0
Number of issues fixed	0

Disaster Recovery Details

Disaster Recovery Details	
Number of devices backed-up	0

IPS Signature Update Service Details

IPS Signature Update Service Details	
Number of times the service was run	0
Number of devices on which the service was run	0
Number of devices that had out-of-date signatures	0
Number of devices that had IPS version issues	0
Number of devices that had IPS license issues	0
Number of devices that had IPS memory issues	0
Number of open issues	0
Number of issues fixed	0
Number of devices having issues	0

Security Assess and Repair

Security Assess and Repair	
Number of devices assessed	0
Number of devices that had issues	0

Number of issues found	0
Number of issues open	0
Number of issues fixed	0

Voice Assessment

Voice Assessment	
Number of devices assessed	0

Device Type Summary
