**STEP 1:** FIRST TIME STUDENTS can apply for a student identification (ID) number on-line on our web site at [www.sce.cc.ca.us](http://www.sce.cc.ca.us). Your ID will be emailed to you within two (2) business days. OR, apply for your student ID in person by coming into one of our campus locations. For faster service during peak registration periods, apply for your student ID before registration begins.

**Did we tell you that continuing education can serve all of the family's needs?**

**Mark & Maria Shubin**

CLASS SCHEDULE COVER STORY  
By Jennifer Perez, SCE PIO

The Shubin family, husband Mark and wife Maria, are the perfect example of how the North Orange County Community College District's School of Continuing Education (SCE) can provide lifelong learning opportunities for everyone. Maria, a stay-at-home mom to three children, wanted to learn to paint for fun. She joined Barbara McLaughlin's Watermedia class at SCE's Yorba Linda Continuing Education Center over six years ago, and says she will "continue to come until her fingers don't move anymore!" She says that within this class, she has not only learned to paint from the very beginning, but that she has gained a new "family" – her classmates in the class that continue to enroll every term.

"Barbara is so knowledgeable in art and painting techniques that we continue to learn every time we attend,"

says Maria. "Our time together as a class is so relaxing and enjoyable that we consider our group a 'family.' We hope Barbara NEVER retires!" added Maria with a smile.

Mark Shubin had different needs. After working 20 years at Boeing as a Supervisor for the Space Simulation Lab, Mark decided to go back to school to develop his "second career." He received his certificate "Digital Arts for Print" at UCI, but then he wanted more classes on web site design. After looking through the class schedule, Mark realized that SCE had all of the classes that he needed and were less expensive as well as closer to his home. Mark took Flash, HTML, and Dreamweaver digital media classes with, as he calls him "an excellent instructor," Richard Herrera. His goal is to one day start his own business developing web sites.

Although Maria and Mark's interests are different, they have found a way to combine them through SCE. Mark has always loved art and photography and has recently shot photographs of Maria's classmates' artwork. He then arranged the photographs in Photoshop where he designed a promotional postcard for the class' artwork exhibition held in April at the La Habra Art Association Gallery.

## SCE Student Spotlight

### CARMEN MACHADO

#### English-as-a-Second Language Program/Computers, Cypress Continuing Education Center

Carmen first started learning English in 2001 and because of her determination and hard work, Carmen has not only improved tremendously but she is now helping others as well. The most difficult decision for Carmen this past year was to cut her work hours so that she could attend ESL and college classes. Carmen continues to work part-time, attends three different English-as-a-Second Language classes per week, is a volunteer with the Disabled Students Program and is a proud mother and wife. Carmen has always said "yes" when asked to help with a class project or computer activity. She's been known to not only do the work asked of her, but does so with a sense of pride. According to her instructor, Debbie Ramirez, Carmen's constant level of joy and happiness rubs off on all of those around her. Her positive energy keeps her motivated along with the encouragement of her children, husband, and instructors. Carmen is proud of the respect that she receives for all of her hard work and dreams of one day helping people with communicative disorders. Debbie noted that Carmen inspires *her* to try harder and to be a better person. **For more information about the English-as-a-Second Language program, please call 714-808-4638 or visit the web site at [www.sce.cc.ca.us](http://www.sce.cc.ca.us)**

### SCE Faculty Highlight

**Zaida Patricia (Patty) Lujan**  
*Matriculation Counselor at the SCE  
 Cypress Continuing Education Center*

Patty Lujan is a living demonstration and quintessential success story of the North Orange County Community College District (NOCCCD). Born and raised in Peru, Patty Lujan came to the United States in 1974 for better opportunities. The help of staff, instructors and counselors led Patty through her successful educational journey with the NOCCCD.

Patty, who is fluent in Spanish, enrolled in the School of Continuing Education's (SCE) English-as-a-Second Language classes. Once confident in her abilities, she then attended and graduated from Cypress College, received her Bachelor of Science degree in Human Services from California State University, Fullerton, and finished her Master of Arts in Education Counseling from California State University, Dominguez Hills.

In her role as a counselor at SCE, Patty provides the necessary services to help students achieve their goals including delivering academic, career and personal counseling. She also works with the District's three schools to transition SCE students from non-credit to college credit programs, vocational training or employment.

"I am student-centered," says Patty of her counseling philosophy. "I always try to build a rapport with my students before giving advice."

Because of her success with students and her own success story, Patty was chosen by

her peers as the Faculty Speaker at 2002 SCE Graduation Ceremony. She is also proud of developing and implementing an orientation for new students participating in ESL and serving as a "bridge" for the SCE programs at the Cypress Continuing Education Center.

"At SCE Cypress, we have struggled with our identity as the programs are offered in two separate locations on campus – lot 4 on the South end and lot 6 on the North end," says Patty. She has been fortunate, she says, to provide counseling on both sides of the campus, often promoting one side to the other. "Oftentimes, students don't know about the programs and services available to them on one side of the campus just because they don't ever travel to the other side," says Patty. She and her colleagues have been able to expand academic experiences for many students acting as this bridge between the two locations.

"I encourage all students of all ages and races to go back to school – it is never too late," says Patty. And then she adds with a smile, "and don't forget to utilize support services like counseling – we'll help you succeed!"

## GENERAL INFORMATION

### SCE SCHEDULE SYMBOL KEY

AN = Anaheim Campus  
CC = Cypress College Campus  
CRN = Course Registration Number  
NC = No class will be held on that date  
WIL = Wilshire Campus (Fullerton)  
YL = Yorba Linda Campus

By district policy, "every course, course section or class shall be open to enrollment and participation by any person who has been admitted to the School of Continuing Education (SCE)".

### CLASSES

**ADMISSION TO CLASSES:** Students are admitted on a first come, first served basis. Students are not permitted to attend classes in which they are not officially enrolled. This means NO petitioning or auditing in a SCE class (ECE classes are an exception). Classes 'filled' may have a 'waiting list' already established for students wanting to attend. Non-Tuition Classes: You must attend first day of class or you may lose your spot!

**CLASS CANCELLATIONS:** If class attendance drops, classes may be cancelled.

**CLASS SCHEDULE SUBJECT TO CHANGE:** SCE has made every reasonable effort to determine that this class schedule is accurate; however, changes may occur after press time.

**CLASS ATTENDANCE:** Students are expected to attend all classes, or the class may be cancelled. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started.

**HOLIDAY WEEKEND POLICY:** SCE knows that in exceptional situations classes may meet on a weekend preceding or following a holiday. If this happens, instructors are encouraged to discuss holiday calendars with their students, as well as advise their coordinator or dean to ensure site and classroom availability. Once approval is obtained, every effort will be made to communicate arrangements for holiday weekend classes to students, instructors and office staff. It is intended that this procedure will meet program standards and directly benefit students.

**BOOKS & BOOKSTORE LOCATIONS:** Your instructor will advise you if a book is needed for your class. All books sales are final! The bookstore can be reached at the following locations:

Anaheim Campus (714) 808-4675  
Cypress Campus (714) 484-7336  
Wilshire Campus (714) 992-7557

**CHILDREN IN CLASS:** No children are to attend adult classes.

**IN-CLASS REGISTRATION:** You must be present at the first meeting of any class where in-class registration takes place or you may lose your spot to someone else. A minimum number of students must attend the first class meeting. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started. NOTE: In-class registration is on a "first come, first served" basis, so arrive on time!

**WHERE DO YOU REGISTER?** No matter where the class is held, students can register at any of the four SCE campuses: Anaheim (Second Floor), Cypress (Pkg Lot 4: Bldg CE8-5), Wilshire (Bldg 100), Yorba Linda (Bldg 100). **You may also register on-line at [www.sce.cc.ca.us](http://www.sce.cc.ca.us) by following the WebStar Registration Instructions on the web.**

**MINOR STUDENTS:** SCE classes are open to those 18 years or older who have been admitted to SCE and are not attending school. Students under 18 who have not graduated from high school may infrequently be permitted to attend under special circumstances. It is advisable to contact the administrator (Dean or Provost) at the site where the class is offered prior to obtaining the required permission letter from the school the minor student is currently attending. If permission to enroll is granted by the Dean or Provost, the minor student may enroll only after the regular registration period so that priority is given to adult students. Children of any age may take Kids' College classes as indicated in the course descriptions.

**NAME CHANGE:** Students are encouraged to visit one of the SCE campuses to request a name change prior to registration. Students must provide a picture ID when requesting a name change. No name changes will be made during the first three days of registration.

### PARKING

**PARKING FEES:** Permit parking spaces are limited. Remember a parking permit does not always guarantee a parking space. IF YOU DON'T HAVE A PERMIT YOU WILL GET A TICKET! An exception to this policy - DMV disabled person placard holders are allowed to park free in metered parking spots. Parking in any other spots requires a paid permit. Parking permits are refundable prior to first class meetings only and must be returned to receive a refund.

*Parking at the Anaheim and Wilshire Campuses:* Parking is by permit only. Vehicle permits: \$35, motorcycle permits: \$20; both are available at the SCE Front Counter. Daily passes are available for \$2 throughout parking areas.

*Parking at the Cypress Campus:* Parking is by permit only. Vehicle permits: \$35; motorcycle permits: \$20 both are available at the Cypress Continuing Education Office, in CE-8 (off of parking lot 4). Daily parking dispensers available throughout Campus.

Parking at the Yorba Linda Campus: Free parking!

**BUS SERVICE:** OCTD provides service to each of our four SCE campuses. For more information, call (714) 636-7433.

#### **FEES**

**HOW MAY I PAY FOR CLASSES?** Full payment is required at the time of registration. Cash, checks, money orders, and credit cards (MasterCard and VISA) are accepted. \$25 will be charged to any students' account where a check is returned for non-sufficient funds.

**TUITION FEES:** Classes NOT funded by State legislature are supported by student tuition. For instructional materials or supplies required for certain classes, you will have to pay these fees. While late registration is permissible in most classes, full payment of tuition fees is always required.

**HOLDS** School of Continuing Education will withhold transcripts, registration privileges or any combination hereof from any student or former student who has failed to pay all outstanding fees (from current or previous terms) or for other administrative reasons.

**REFUNDS:** A Refund Petition must be filled out 48 hours before the class starts. A \$10 processing fee will be deducted from ALL refunds issued (except classes canceled by the District). Term refunds will be processed two weeks after the term begins. No refunds on books or bus tours. Bus tours cancelled by SCE will be refunded.

#### **RECORDS**

**STUDENT RECORDS:** California Administrative Code, Title V, and District policy states that you can review your student records at any time. All student records are located at the SCE Wilshire Campus. Transcript requests are accepted by mail (the form may be printed off of the SCE web site) or in person. Please allow 10 business days for processing.

#### **OPEN ENROLLMENT**

It is the policy of the North Orange County Community College District (NOCCCD) that, unless specifically exempted by statute, every course section or class, the full-time equivalent students (FTES) attendance of which is to be reported for state aid, wherever offered and maintained by NOCCCD, shall be fully open to enrollment and participation by any person who has been admitted to the college(s) or School of Continuing Education and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

#### **NON-DISCRIMINATION STATEMENT**

The North Orange County Community College District (NOCCCD) in compliance with all applicable Federal and State laws, does not discriminate on the basis of race, color, national origin, ancestry, marital status, age, religion, disability, sex, or sexual orientation in any of its policies, procedures, or practices. Consistent with State and Federal law and District policy, the NOCCCD forbids sexual harassment at any of its locations. The District will take preventive, corrective, and disciplinary action for any act that violates this policy or the rights and privileges it is designed to protect. The District does not discriminate against any employees or applicants for employment on the basis of their age, or because of their medical condition; nor does the District discriminate on the basis of citizenship or sexual orientation, within the limits imposed by law or District policy. This non-discrimination statement covers admission, access, and service in District programs, activities, and application for and treatment in District employment.
