**SCE Student Success Story:  
Judy Senglaub. Change. Cultivated.**

Judy Senglaub, a mother of three grown children and grandmother of five, worked in elementary education as an instructional aide for 16 years before becoming a nanny and then a care provider for her older parents. At the urging of her 92-year-old mother, Judy decided to go back to school and complete her certificate in early childhood education (ECE). After completing her program of study this past Spring, including the ECE supervisory course, Judy graduated in June 2007 and served as the SCE certificate graduate student speaker. Judy was hired as a preschool teacher by a local private preschool. Her academic strengths are shown time and again through her participation and course work. According to her instructor Susan Sueng, Judy is an outstanding student with an optimistic personality and a big heart.

## PHYSICAL FITNESS

SCE Student Success Story:  
Katherine Rinos.  
Change.  
Cultivated.

Before taking aerobics classes with SCE, Katherine Rinos was unable to walk without pain or total exhaustion, due to severe rheumatoid arthritis. She has had to utilize a wheelchair, leg braces, custom arm splints, and neck collar, and oftentimes could not leave her bed. Katherine was taking 62 pills a day and had 52 injections in her heels, fingers and back. Her spine was laden with degenerative discs and the state classified her as "unemployable." Katherine's dedication to physical exercise through SCE's fitness classes has strengthened her joints, bones and muscles. Her endurance has increased so much that today she can walk, work and function normally. Her recent bone density tests showed no signs of osteoporosis, which, according to her rheumatologist, could have only occurred through her commitment to physical exercise with her aerobics classes. "Katherine's determination despite pain and disease serves as a positive example to others in class and in life," says her instructor, Gale Beanblossom. Katherine often shares her story with the class and praises them for their hard work.

## GENERAL INFORMATION

### SCE SCHEDULE SYMBOL KEY

AN	= Anaheim Campus
CC	= Cypress College Campus
CRN	= Course Registration Number
NC	= No class will be held on that date
FC	= Fullerton College
UMF	= United Methodist Church of Fullerton
WIL	= Wilshire Campus (Fullerton)
YL	= Yorba Linda Campus

By district policy, "every course, course section or class shall be open to enrollment and participation by any person who has been admitted to the School of Continuing Education (SCE)".

### CLASSES

**ADMISSION TO CLASSES:** Students are admitted on a first come, first served basis. Students are not permitted to attend classes in which they are not officially enrolled. This means NO petitioning or auditing in a SCE class (ECE classes are an exception). Classes 'filled' may have a 'waiting list' already established for students wanting to attend. **Non-Tuition Classes:** You must attend first day of class or you may lose your spot!

**CLASS CANCELLATIONS:** If class attendance drops, classes may be cancelled.

**CLASS SCHEDULE SUBJECT TO CHANGE:** SCE has made every reasonable effort to determine that this class schedule is accurate; however, changes may occur after press time.

**CLASS ATTENDANCE:** Students are expected to attend all classes, or the class may be cancelled. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started.

**WEEKEND POLICY:** It is a practice that SCE classes do not normally meet on a weekend following a Friday District Holiday or preceding a Monday District Holiday. Instructors should discuss this practice with their students. In the event it appears necessary for a class to be held on such a weekend, this would constitute an exception to the general practice. At that time, the instructor must discuss this need with the program coordinator or dean to ensure site and classroom availability. If approval is obtained from the coordinator or dean, this special arrangement for that weekend class will be communicated, notifying students, instructor, office staff and security. It is intended this procedure will meet program standards and be of direct benefit to students.

**BOOKSTORES:** The bookstore can be reached for the following locations:  
 Anaheim Campus (714) 808-4675  
 Cypress Campus (714) 484-7336  
 Wilshire Campus (714) 992-7557

**CHILDREN IN CLASS:** No children are to attend adult classes.

**IN-CLASS REGISTRATION:** You must be present at the first meeting of any class where in-class registration takes place or you may lose your spot to someone else. A minimum number of students must attend the first class meeting. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started. **NOTE:** In-class registration is on a "first come, first served" basis, so arrive on time!

**WHERE DO YOU REGISTER?** No matter where the class is held, students can register at any of the four SCE campuses: Anaheim (Second Floor), Cypress (Pkg Lot 4: Bldg CE11-8), Wilshire (Bldg 100), Yorba Linda (Bldg 100). **You may also register on-line at [www.sce.cc.ca.us](http://www.sce.cc.ca.us) by following the WebStar Registration Instructions on the web.**

**MINOR STUDENTS:** SCE classes are open to those 18- years or older who have been admitted to SCE and are not attending school. Students under 18 who have not graduated from high school may infrequently be permitted to attend under special circumstances. It is advisable to contact the administrator (Dean or Provost) at the site where the class is offered prior to obtaining the required permission letter from the school the minor student is currently attending. If permission to enroll is granted by the Dean or Provost, the minor student may enroll only after the regular registration period so that priority is given to adult students. Children of any age may take Kids' College classes as indicated in the course descriptions.

**NAME CHANGE:** Students are encouraged to visit one of the SCE campuses to request a name change prior to registration. Students must provide a picture ID when requesting a name change. No name changes will be made during the three days of registration.

### PARKING

**PARKING FEES:** Permit parking spaces are limited. Remember a parking permit does not always guarantee a parking space. **IF YOU DON'T HAVE A PERMIT YOU WILL GET A TICKET!** An exception to this policy - DMV disabled person placard holders are allowed to park free in metered parking spots. Parking in any other spots requires a paid permit. Parking permits are refundable prior to first class meetings only and must be returned to receive a refund. **Park head in only.**

Parking at the Anaheim and Wilshire Campuses: Parking is by permit only. Vehicle permits: \$35, motorcycle permits: \$20; both are available at the SCE Front Counter. Daily passes are available for \$2 throughout parking areas. **Students taking classes at the United Methodist Church in Fullerton can continue to park in the Wilshire Center parking utilizing the SCE parking pass.**

Parking at the Cypress Campus: Parking is by permit only. Vehicle permits: \$35; motorcycle permits: \$20 both are available at the Cypress Continuing Education Office, in CE11-8 (off of parking lot 4). Daily passes are available for \$2 throughout campus and parking areas.

Parking at the Yorba Linda Campus: Free parking!

**BUS SERVICE:** OCTD provides service to each of our four SCE campuses. For more information, call (714) 636-7433.

## FEES

**APPORTIONMENT CLASSES:** These classes appear as free but are actually funded by the State. Funding is received for each hour of student attendance. The cost of offering the class is covered by these funds. The class may be cancelled if the attendance falls below the level needed to cover the costs of the class. The State has mandated that apportionment classes be offered in the following nine areas:

1. English-as-a-Second Language
2. Citizenship for Immigrants
3. Elementary and Secondary Basic Skills
4. Health and Safety
5. Course for those with Substantial Disabilities
6. Parenting
7. Home Economics
8. Courses for Older Adults
9. Short-Term Vocational

For some apportionment classes, a nominal fee is charged. This fee covers the cost of materials consumed or provided during the course of the class.

**TUITION CLASSES:** Students pay a fee for these classes. Students must cover the entire cost of offering the class. These classes will not be cancelled if attendance falls low during the term.

## HOW MAY I PAY FOR CLASSES?

Full payment is required at the time of registration. Cash, checks, money orders, and credit cards (MasterCard and VISA) are accepted. \$25 will be charged to any students' account where a check is returned for non-sufficient funds.

**TUITION FEES:** Classes NOT funded by State legislature are supported by student tuition. For instructional materials or supplies required for certain classes, you will have to pay these fees. While late registration is permissible in most classes, full payment of tuition fees is always required.

**HOLDS** School of Continuing Education will withhold transcripts, registration privileges or any combination hereof from any student or former student who has failed to pay all outstanding fees (from current or previous terms) or for other administrative reasons.

**REFUNDS:** A Refund Petition must be filled out 48 hours before the class starts. A \$10 processing fee will be deducted from ALL refunds issued (except classes canceled by the District). Term refunds will be processed two weeks after the term begins. No refunds on books or bus tours.

## RECORDS

**STUDENT RECORDS:** California Administrative Code, Title V, and District policy states that you can review your student records at any time. All student records are located at the SCE Wilshire Campus. Transcript requests are accepted by mail (the form may be printed off of the SCE web site) or in person. Please allow 10 business days for processing.

## Release of Records

In accordance with the Federal Family Educational Rights and Privacy Act of 1974, SCE may release or publish, without the student's prior consent, items in the category of public (directory) information which includes name, date and place of birth, major field of study, participation in officially recognized activities in sports, weight and height (if a member of an athletic team), dates of attendance, and degrees and awards received, and recent educational institutions or agencies.

Students who wish to have this information restricted must submit a written request to the Registrar's Office at the Wilshire Center. Requests must be filed within fifteen calendar days from the beginning of each trimester a student is in attendance.
