WITH ST MARGARET'S COLLEGE

The perfect gift for Christmas

A group of Year 13 Students at St Margaret's College have produced a cookbook that will tempt your tastebuds and provide you with a colourful keepsake. Produced in the style of modern cookbooks, 'Gather' is a beautifully designed, culinary celebration of recipes from our wider school community. From 'High Tea' and 'Set the Table' through to 'Teddy Bears Picnic' and 'Paper Plates', in this book the St Margaret's College family shares tried and true favourite recipes with you.

Gillian Simpson, Executive Principal

Funds raised will support the rebuild of the school, following the Christchurch Earthquakes.
