

participate entertainment endacott

Since 1983, the KU Alumni Association's Endacott Society has welcomed retired KU faculty, staff and their spouses to participate in varied events at the Adams Alumni Center.

The Endacott Society is an easy way to stay connected to campus and your fellow colleagues while enjoying all the benefits of Association membership.

An honors student, All-America basketball player and 1923 engineering graduate of KU, Paul Endacott became president of the Phillips Petroleum Co. In gratitude for the guidance he received from KU faculty and staff, Mr. Endacott and his wife,

Lucille, began honoring these individuals through gifts to KU Endowment. Their gifts established the "Expressions of Appreciation" program, through which other alumni and friends could thank talented faculty and staff members for their influence.

Mr. Endacott also collaborated with fellow donors and planners of the Adams Alumni Center to ensure that retired faculty and staff members could meet in the Center, which is the headquarters of the KU Alumni Association.
