

Business Resilience Workshop

You can survive and thrive in a crisis

Starting a business? Mid-life in your business?

The sooner you have a tailored business continuity plan, the more likely you are to survive a crisis.

This workshop will provide practical advice to help you:

- Develop a business continuity plan
- Understand risk management
- Identify key critical business activities
- Carry out a business impact analysis
- Plan for response and recovery

The Business Resilience workshop will help you ensure the survival and future growth of your business to dramatically improve your outcomes and financial security.

You will be provided with a template to develop a business continuity plan. The template contains all the information you need to ensure that in the event of a crisis your business will be able to resume critical business activities as soon as possible.
