A Consent form must accompany the Student Entry Form along with the artwork if student entry meets the following requirements:

Purpose:

The purpose of the Consent Form is to ensure that the children, youth or adults included in Night of the Arts Program entries, or the parents/guardians of those persons, are aware that their image or voice will be used in the artwork.

Use of the Consent Form:

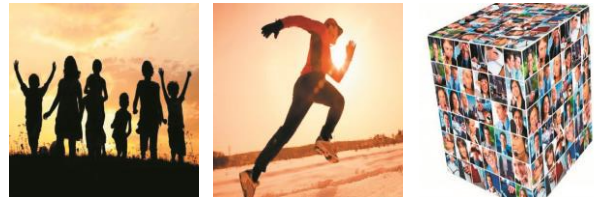

IMAGES

The Consent form should be used if a child or adult's recognizable image is included in a Night of the Arts entry. This means any time a person could be recognized from an image, usually involving all or part of the face, and then the Consent Form should be used. The form should be used for any person regardless of age, child, youth or adult.

Requires a Consent Form

Does not Require a Consent Form

In any of the categories where a person other than the student submitting the Night of the Arts entry is included (i.e.: dancers, actors, performers, etc.) and his or her image is recognizable, a Consent Form is required.

VOICES

In any of the categories where a person's voice (child or adult) other than the student submitting the Night of the Arts entry is included (i.e.: backup singer, narrator, etc.) and his or her voice is recognizable, a Consent Form is required.

When a Consent Form is not needed:

Night of the Arts participants should make a reasonable effort to obtain a Consent Form from persons in their entries. However, in some circumstances, it may not be possible or reasonable to obtain a signed Consent Form.

Examples: If a student is on vacation and takes a photograph of a group of children in Kenya or if a student films part of his or her entry at a local parade and there are people visible in group shots, a Consent Form is not needed.
