

Dear potential YES participant:

Thank you for your interest in the Summer 2013 Youth Engaged in Service (YES) Program! There are several benefits to volunteering, and we look forward to exploring your interests with you; volunteers are a unique and critical part of the Seattle Parks and Recreation. We will work with you to find a placement that best meets your needs and goals and ensure your volunteer experience is meaningful and rewarding. *While it is a priority to place volunteers in a location near their home, we cannot guarantee that we will be able to do so.*

YES Program Dates:

- April 13: YES applications available
- May 15: Deadline for applications
- June 7-10: Notification letters mailed out
- May 29, 30, 31, June 1: Interviews
- July 8: Orientation & beginning of program
- End of July (date TBD): YES mid-session event
- August 16: Program ends, last day at site, and reflection project is due.
- August 22: Celebration event at Camp Long

Please note that YES is a six week summer program open to teens between the ages of 13 and 18 years of age. All volunteers are required to complete 120 volunteer hours to receive the stipend. Of that 120, 60 of those hours qualify as service hours. You may be able to use these hours towards your school's service learning/community service graduation requirement. Make sure to check with your school administrators; **in most cases, hours completed prior to entering 9th grade do not qualify for the Seattle Public School's service learning requirement for high school graduation.**

What do YES volunteers do? Teens will be placed at various Seattle Parks & Recreation parks, programs, and facilities - paired with an adult mentor. Previous placements have included: front desk/office assistant at community centers, sports camp aide, outdoor restoration, swim aide, and TATU (Teens Against Tobacco Use) Presenter. In addition to the time requirement, YES volunteers are required to wear an identification badge, turn in a signed timesheet documenting the hours completed, and complete a reflection project. Volunteers, who complete all 120 hours, turn in necessary paperwork and project, can receive a \$150 stipend after the program. **The stipend CANNOT be pro-rated (no partial stipends).**

Eligibility Requirements:

- Must be between the ages of 13 and 18 as of 07/8/2013
- Must live within Seattle city limits
- Provide documentation for eligibility to work in the United States (**Social Security # / Alien ID #**)
- Students are responsible for planning their own transportation; bus tickets may be available on a case by case basis.
- Students must be available to work 120 hours between 7/9 and 8/16, during host site's business hours. *Extended vacations and other obligations may exclude you from eligibility.*
- Application must be accompanied with Letter of Recommendation with request form.

Please send your application as soon as possible. Applications with letter of recommendation must be in staff hands no later than Wednesday, May 15, 2013, by 5pm. Applications can be dropped off or mailed to the address located on the last page of the application (NOT postmarked by May, 15, 2013). Emailed or faxed applications will NOT be accepted. We do not accept any late or incomplete applications. No exceptions.

If you have any questions, please don't hesitate to contact: (206) 684-4575.

The Seattle Parks and Recreation values the dedication and many hours of service volunteers give each year. I thank you for your interest in being a part of YES -- I am excited for another amazing and fun summer!

Sincerely,

YES Staff
