Each time a council participates in a First Degree exemplification between April 1 and June 30, 2013, and brings at least one new member into that council, the council will be entered into a drawing for one of two all-expense paid trips to Italy for the grand knight, membership director, and their wives. In addition, each time a council conducts a charitable program between April 1 and June 30 — and reports that program to the Supreme Council using this form — the council will be entered into the drawing for one of two trips to Italy for the grand knight, program director and their wives. There is no limit to how many entries — either for participation in First Degrees or programs conducted — that a council is eligible for. The Supreme Officers will review all program report forms submitted to determine eligibility for the drawing.
