

Parental Web Access

The Royall School District provides parents, via its web site, access to key pieces of student record information regarding their children. The completion of this form is required prior to any access capabilities being granted.

The parent/guardian signing this form understands that they are completely responsible for the safe keeping of the user name and password used to access this system. This information must be regarded as extremely confidential as it is the only safeguard provided in accessing this information.

The parent/guardian signing this form understands that due to the "public" nature of the Internet there is no way that any guarantee of privacy of information being sent from the Royall School District server to your computer can be given.

After your account is created/updated, a message will be sent to the email address provided or on file. This message will include the information you need to access the account and/or the changes made to your account.

Parental Access accounts are valid until all listed students graduate or withdraw from the school district. If you forget your username and/or password please contact Ken Simon at (608) 462-2600x2103 or SIMONK@ROYALL.K12.WI.US.
