From the Prez

It's getting real close to some Mountain time. Limber up those legs, wax those boards, come to the Kick Off party, renew your membership, etc. All good prep work for what is supposed to be a normal year. Whatever 'normal' is for Mt. Hood.

Sign up for some trips. We all had a great time at Utah last year. The areas we visit are snow magnets. And no crowds. Powder

Mountain always gets more snow than places like Snowbird and Alta. Please note the December cutoff date for Utah signups and payments. The club must have the lodging arrangements complete by then or face severe cancellation charges. The condos are very nice and convenient, but they compensate by requiring early solid commitment.

Those who went on the Idaho trip last time will recognize this as a repeat. We all had a good time and this one should be just as good. Bus trips that far don't happen too often, so take advantage of it this year.

I wish to thank those who showed up for the highway cleanup. Our section of road is nice and tidy now.

And thanks to the crew who designed and set up our booth at Ski Fair. Thanks to **Chuck** for saving all our historical photos and for booth setup. And **Emilio** for printing and setup. **Jaxine Harris** did a nice collage out of old magazine photos. **Nancy Pratt** brought some equipment that her father used. And thanks to **Terry Swan** for manning the booth all evening.

Anyone see the **rope tow grip**? If you didn't, it will be at the Kick Off party. Rope tows: the original detachable lift. - Kurt

Highway Cleanup

October 13, 2012. We got a decent turnout, despite the overcast skies and a rainy day both the day before and the day after. The road was wet this morning, but it didn't rain. Twelve people spent 2 hours filling up 22 large bags of trash, so we can all be proud of the 2 miles of Highway 26 just before Government Camp, mileposts 51 - 53. We then had lunch at the Ice Axe brew pub.

Warren Miller dinner + movie

October 26, 2012 (Friday) - About 62 of us came to see the latest film in the Warren Miller series. This one was called "Flow State" and it was a good one. The music was great. Nice song about "Go to Alaska". Maybe too much helicopter skiing throughout the movie. All those remote locations pretty much demanded helicopters.

About 30 people showed up for dinner. Thanks to **John Davis** for the photos, and also for inviting mayor **Sam Adams** to our table for a few minutes!

See more photos at <u>www.mthigh.org/Photos.htm</u>.

Ski Fever & Snowboard Show

November 2-4, 2012. The annual **Ski Show** at the Expo Center was perfect for buying clothing or gear at great discounts, even though the admission fee has risen to \$13 per person plus \$8 for parking. **Gordon Lusk** was manning the Atomic booth, and we saw **Dexter Hill, Gary Gunderson** and **Laicina Canham** at the Hillcrest Sports booth. The NWSCC booth had flyers from local ski clubs and also distributed the latest **NW Skiers' Directory**, hot off the press.

NWSCC, Mt. High

Ski Fair

November 5, 2012 (Monday) Each ski club had a booth here. PACRAT racers had their booth too. Several new people joined the club, and some renewed their membership. The Ski Fair's theme was "Ski History" and our booth looked like a ski museum. We even dressed up in old ski clothes (Did anybody notice that?).

Ski Area News

SNOWSPORT CLUB

Winter is here!

Winter has arrived suddenly. After a very warm summer, temperatures suddenly dropped and snow started falling in late October. Several ski areas around the US are already open, and many others will open before the end of November.

Powder Mt., Utah, will open on November 21.

On **Mt. Hood**, as of November 11, there are already 6" - 13" of snow and another foot is expected soon. Ski areas will open when there is about 3 feet of settled snow base.

Big White & Silver Star

Big White and **Silver Star** resorts in British Columbia used to be under the same management. But not any more.

The owner has died and his children disagree on how to run the ski areas, so each is running their own resort now and the lift tickets are not shareable any more.

Season Passes

You can still purchase a ski area pass, but it will cost you more Prices went up on November 4. The Ski Fair was the last opportunity to get the lower prices. Remember this for next year.

Also, remember that all ski areas will be offering **Spring Passes** valid for March, April and May for just a little over \$100. Now, that's a deal!

If you missed out on purchasing a season pass, it might be some consolation to remember that some people call season passes "dog collars" that tie you down to just one place.

6 ski areas for Mt. High

Mountain High members have an advantage in the **NW Ski Challenge**. Our **Idaho** trip will visit 3 ski areas, and the **Canada** trip will visit another 3. By participating in these trips, you will have 6 ski areas under your belt. Add just one more local one and you have the needed minimum of 7 to participate in the challenge.

49° North Gets Bigger & Better

49° North Mountain Resort has completed the new chairlift on Angel Peak. The new lift is 4,336' long, spanning 1,144 vertical feet. It is the result of combining material from two older chairlifts from **Copper Mt.**, Colorado and from **Brighton** ski area, Utah.

In the summer of 2013, a new three stories Mid-Mountain Lodge will be built.

Alpine Meadows & Squaw

Alpine Meadows and Squaw Valley have merged. New lifts to connect the two areas are feasible in the future, but for now, lift tickets will be shareable and a shuttle bus will connect the two ski resorts.

Season pass holders will have access to both resorts.. Starting at \$429 for adults, the Tahoe Super Pass offers season-long access to 6,000 acres, 43 lifts and over 270 trails at Squaw Valley and Alpine Meadows.

More info on our Council's web site: <u>www.nwskiers.org</u>. Also, see the <u>Articles</u> page on the Mt. High web site for several articles documenting some of the previous Ski Challenges.

Trip price comparisons

How expensive is a ski trip? How can we compare trip prices? Some trips include everything while other trips don't include lift tickets or transportation.

The best way to compare trips is to add up ALL the trip costs (lodging, lift tickets, and transportation) and then divide the total by the number of ski days, or by the number of lodging nights. The result will differ because some trips have additional non-skiing days, usually at the front and back end, while on some trips the number of days and nighs is the same.

Some 10 years ago, or more, the average inexpensive trip cost about \$100 per day (with everything included). Today, anything under \$150 per day is a good price.

In making the comparisons in the included table, we had to make some assumptions for trips that don't include everything. If the "Additional Cost" column says \$0, it means the trip already includes everything. If an additional cost is listed, it's the result of some guessing and some estimates. This is very approximate.

For trips involving car driving, the mileage to the resort was obtained from a Google map, and additional miles

were added to reflect multiple trips between the lodgings and the ski area. We estimated a car getting 22 mpg and a cost of \$3.50 per gallon, shared between 2 people.

For trips involving airfare, we either added the additional airfare cost as listed in the trip flyer, or we made an estimate of the best possible airfare price.

The hardest estimates were for trips that don't include lift tickets, such as the Tahoe trip. Again, we made some rough estimates, but a lot depends on what sort of discounts the trip participants may find.

The first two trips listed are not a fair comparison with others, because they are day trips with no lodging costs.

Our Utah trip turned out to be the least expensive, because it is based on a large 10-person condo, where lodging per person is very affordable. We assumed 2 single people in a room, but different people will pay a different price, depending on the room they choose.

The Canada trip assumes a day of rest in the middle of the week, which raises the average price per ski day, but one could ski that day too, and thus lower the average price per day.

Not surprisingly, the costliest trip is the one to Europe.

SNOWSPORT CLUB

Make The Most of Your Membership

To make the most of your Mountain High club membership, you need to participate in as many events and activities as possible. This includes: Trips, Racing, and Parties, but also the use of our web site, online communications, and more.

TRIPS: Sign up for at least one trip. They are fun. Visit other ski areas with us, and meet other club members. There's no better way to get to know other people than to travel, eat, ski and hot tub with them.

RACING: You might not think of yourself as a racer, but give it a try. It's a very social activity. You become part of a 10-person team, you can ski with them in between races, and there's always a party at the end of each race day.

PARTIES: We have a social event at least once a month. We have regular annual events, such as the Seafood party, the Chocolate party, the Picnic, Pizza parties, and more. All you need to do is show up. Free food and great company. How much better can life get?

WEB SITE: Our web site is a great multi-purpose tool. Use it. Check out our calendar of events, see the upcoming trips, see our photos and videos of past events. Check out our Safety page, and our Vision for the 21st century. Use our Bulletin Board to sell and buy stuff, or to put out some information. See links to 147 western ski areas, listed by State.

FORUM: Communicate with other club members by joining our online Forum. This doesn't happen automatically. You have to click on the Forum button on our web site, and click on "Join this Group" - since the Forum is really just a Google Group. Provide a name and your email address. Then you can start posting messages.

Any message posted in our Forum is both published on the Forum and also emailed to all the other Forum members. Once you have joined the Forum, you don't even need to go online to leave a message. Just send an email to the whole group by emailing: MtHigh@googlegroups.com (for the whole club), or to: MtHigh-midweek@googlegroups.com (for mid-week skiers), and your message will automatically be sent to everyone who has joined the Forum.

MEMBERSHIP CARDS: We don't normally mail out membership cards to everyone. It's simply a lot of work and we are all volunteers. So, we ask you to pick up your membership card in person at the annual Kickoff Party. Only if you really cannot come to the party and you really need your membership card, we will mail it to you upon request. Please send your request to our Membership Director: **Terry Swan**, **swans761@juno.com**.

Pacific NW Area Clubs Recreational Alpine Teams

Bruce Ellison Mt. High Racing Director

Come join one of our 10-person teams and run some gates on a GS course.

We race on five Sundays each winter at Mt. Hood ski areas. The afternoon after each race we have a dinner and drawing for prizes donated by our sponsors. It's so much fun that there are folks who've been doing it for 20 years or more. If you're interested in trying this out this winter please

check out www.mthigh.org/Racing.htm.

Each year some of our skiers also go to the Far West Ski Racing Association **Championship races**.

If you haven't been assigned to a team yet, contact us. Most teams end up with an opening or two, and we can always start a new team! If you want to race, contact Bruce: **Yuffiet@comcast.net** or: 503-697-7892.

How it Works: Details & Deadlines

- 1. Each racer should send to their team captain the PACRAT entry form and the Liability Release form. Both forms are available on our web site.
- 2. Each racer should join the club (\$25) and pay the racing fee (\$95). The payments can be sent to the club: PO Box 2182, Portland, OR 97208. Or, you can send it to your team captain. But, in either case, please make check payable to Mountain High, and please enclose and sign the Membership Signup form.
- 3. By Nov. 26 (Monday, our monthly Board meeting). All team captains should send their PACRAT forms to our Racing Director, Bruce Ellison, as we need some time to cross-check all racing dues with our Treasurer. Our club will then make out one big check to PACRATs for all our racers.
- **4. Dec. 19** (Wednesday) -- Mandatory team captains' meeting, to pick up the racing bibs for their teams. Location: most likely at **The Mountain Shop**, 1510 NE 37th Ave, Portland OR 97232, starting at 6:00 pm.
- 5. Some teams gather socially for a "bib decorating party". Feel free to color your bibs if you like (optional). Otherwise, your team captain will distribute the bibs on the morning of our first race.

Mt. High Day Trips

SNOWSPORT CLUB

"Show Me Something New" Day Trips

During the coming winter we will have at least 5 simple day trips to the following 5 destinations: Mt. Hood Meadows, Timberline, Mt. Hood Skibowl, Hoodoo, and White Pass. The Mt. Hood days will be simple carpooling trips. But for Hoodoo and White Pass, we'll hire a bus

If there are enough of us at any of

these day trips, we could get discounted group lift tickets. For Hoodoo and White Pass this is practically guaranteed, but let's also keep this in mind for the less formal day trips to Mt. Hood ski areas.

The focus on these trips will be fun skiing, exploring, enjoying the sights, and showing each other new nooks and crannies we may not have noticed before.

Racers are welcome to join in on any of these non-race days. But, remember that the focus will be on skiing together as a group. Faster skiers are welcome to go ahead on their own, but we will commit to adjusting our speed to the slowest people in the group. Nobody will be left behind.

Oh and then in the Spring (March, April and May), we will again have those **out-of-bounds adventures** around Timberline. In addition to the usual canyons, we already have some other hidden stashes to show you.

Mt. Hood Day Trips

Jan. 12 (Sat.): Mt. Hood Meadows Jan. 26 (Sat.): Mt. Hood Skibowl Apr. 20 (Sat.): Timberline canyons

These will be informal carpooling trips. We'll meet at **McDonald's** in **Sandy** around **7:15 - 7:30 am** and either drive in a caravan or arrange for some carpooling on the spot.

Or, meet us on the mountain just minutes before 9 am near the ticket office, ready to go skiing.

Or, contact us by 2-way radio on channel 6-19.

Hoodoo day trip

Feb. 16, 2013 (Saturday)

A day trip including bus and lift ticket for only \$80. Meet the bus at the

Tualatin Park &

Ride. which is at the Durham exit (one exit north of the Tualatin exit). Get on Lower Boones Ferry Road just west of the freeway, and turn left at the first traffic light.

Load the bus from 5:30 am. Depart at 6:00 am. At Hoodoo, the bus leaves at 4:30 pm. Arrive in Tualatin by 7 pm.

Trip leaders:

Sandra Smith, <u>sandra@pacifier.com</u>, 503-646-4591. Emilio Trampuz, <u>Emilio 2000@earthlink.net</u>, 503-378-0171.

Please use the **Dough Transmittal form** to send in your \$80 payment to the club.

White Pass day trip

March 16, 2013 (Saturday)

A day trip including bus and lift ticket for only \$95.

This costs a bit more than Hoodoo

because White Pass is farther away and also has higher lift ticket prices. But remember that it recently doubled its skiable terrain!

Meet the bus at the **Gateway Transit Center**, near the junction of I-84 and I-205.

Load the bus from 5:30 am. Depart at 6:00 am. At White Pass, the bus leaves at 4:30 pm. Arrive in Portland by 7:30 pm.

Trip leaders: **Emilio Trampuz**, 503-378-0171, **Emilio2000@earthlink.net**, and

 $\textbf{Linda McGavin}, 503\text{-}652\text{-}2840, \underline{\textbf{Trips@mthigh.org}}$

Please use the **Dough Transmittal form** to send in your \$95 payment to the club.

Springtacular BLAST

ACHELOR SKI &

A flexible 2 - 5 days trip to **Mt. Bachelor**. This year, the NWSCC is not organizing this, but it is supporting it. This trip will be open to clubs all across the country. So, think of this as a multi-club trip.

It will be totally different this year. We'll

have LOTS of options for skiing, golfing, kayaking, biking, etc., with lots of flexibility, and also another chance to ski with the Legends, the original hot dogs of skiing, who can still teach you a trick or two.

All reservations will be made directly with ski.com.

Mt. High Canada Powder Hwy. (Red, White & You)

March 23 - 30, 2013 - Red Mt., Whitewater, 49° North. 6 nights lodging, 5 days lift tickets at 2 ski areas in British Columbia. Red Mt. is famous for its powder, but Whitewater, just an hour north, gets even larger quantities of it.

On Sat., March 23, we'll just drive and/or carpool up there.

We'll spend 4 days and nights in the charming town of **Nelson**, B.C., just 15 minutes from the **Whitewater** ski area. 3 Whitewater lift tickets are included. 1 dinner is included.

The 4th day is an optional day of relaxation. We might visit the **Ainsworth Hot Springs**, about 30 miles north of Nelson, on the shores of Kootenay Lake, or go ski again.

Whitewater ski area gets 40 feet of snow annually, on 2,044' vertical, 1,184 acres, served by 1 triple chair and 2 double-chairs. As of 2010, the ski area doubled its size with the opening of the Glory Ridge chairlift. Ymir Peak towers majestically over the ski area. Click here for a great video.

Red Mt., just north of the US border, near Rossland, we will ski for 2 days, staying in a motel in Rossland, just 2 miles away. Red. Mt. has 2,919' vertical, 4,200 acres, of which 1,685 are lift served by 1 quad, 2 triples, and 1 double chair. On the way back home, if you still have energy, there is an optional \$70 1-day ski package with lodging in the town of Chewellah, WA, and skiing at **49° North**, where you can ring Ullr's bell for good luck and then ski the 7 deadly sins. 49° North is opening a new chair this season on Angel Peak.

Price depends on your age and type of room.

All prices are per person	Adult	Senior (65-69)	Super senior 70+
1 queen bed (double occupancy)	\$695	\$620	\$480
2 beds per room (dbl. occupancy)	\$725	\$650	\$510

Deposit: \$100 will reserve your spot. Please use our **Dough Transmittal form**. Make check payable to **Mountain High**, and mail to: **Mountain High**, PO Box 2182, Portland, OR 97208.
