

This warranty declaration is only permitted for the following:

- Supply of forages for forage replacers (e.g. silage, hay, roots, root-by-products, forage crops in situ)
- Farm to farm supplies of home grown cereals or pulses
- Farm to farm supplies of blends, compounds or other feed materials that are surplus to their own requirements *

** The validity of the warranty letter does not extend to cover compounds, blends, or feed materials purchased with the primary intent of re-sale directly or after blending. Farmers operating as such must register as a merchant or compounder and comply with the appropriate UFAS requirements.*

Following completion of the relevant sections, the declaration must then be signed, dated and returned to the farmer by the feed supplier. The address of the feed supplier must be clearly stated.

Warranty Declaration

- This feed is suitable for consumption by livestock and is considered wholesome and free from any known contaminants.
- This feed has been stored, handled and transported so that the risk of contamination by pests or other means has been minimised and hygiene standards maintained at a level which is appropriate for materials entering the feed/food chain.
- Our records and premises are accessible for traceability and auditing purposes, on an appointment basis.

Feeds **other** than forages or roots (*please tick one*)

- These cereals / pulses are not assured under a farm assurance scheme but are accompanied by a grain passport which records details of any post-harvest pesticide treatments if applied.
- This feed or feed material comprises homegrown and/or purchased feed or feed materials surplus to own requirements. [NB. Any purchased feed or feed material must have originated from a UFAS, FEMAS or equivalent certified source.]
