

Taking the Mystery out of Electronic Security

Event: *Join CLARK for an Electronic Security class!*

Q#1: Do you want to increase your ability to spec, quote, and sell Electronic Security and Camera Jobs?

Q#2: Do you want to learn the right questions to ask?

Q#3: Are you interested in making more revenue?

If you answered yes to any of these questions, join CLARK and stay ahead of the ever changing Locksmith/Security world!

Electronic Security allows workers to get on with their jobs while protecting staff from uninvited guests and businesses from property and information theft. Designed to work together seamlessly, electronic access control products provide you with the technology you need to deliver sophisticated security solutions—from the simplest to the most challenging.

Featuring: Paxton, CDVI, HikVision

Lunch will be provided.

Date: **January 29, 2015**

Time: **8:00 am – 12:00 pm**
