

For more than 125 years, the YWCA Elmira & the Twin Tiers has evolved and grown to meet current and future needs of women in our area. On June 3, 2015, the YWCA Tribute to Women will honor our area's finest women.

This year, the YWCA Tribute to Women Committee will honor a woman leader who works in the region, exhibits leadership and creativity, promotes positive attitudes and integrity in her workplace, and serves as a role model to other women.

The Youth Award will honor a young woman demonstrating leadership, valuing diversity and serving as a role model to her peers.

We encourage you to use this luncheon to recognize women in your company for their outstanding achievements.

For the past nineteen Tributes, the public and private sector have supported the YWCA through sponsorship, with the proceeds benefiting YWCA programs.
