# RUNNING WITH THE BUFFALOES

## The Valley of the Sun

This annual charity golf outing was created to provide a opportunity for former and current University of Colorado students to get together and not only support the CU football team while at a non-conference game, but also support two nationally recognized 501(3)(c) foundations. This "Running with the Buffaloes" makes it 1st ever stop in the valley of the sun, September 7th, 2007 in Tempe, Arizona at the Arizona State University Karsten golf course for a 1:15 pm shotgun tee time (<http://www.asukarsten.com/>). The Colorado Buffaloes will then take on the Arizona State Sun devils on September 8th, 2007 on the football field.

This year's charity golf event will support two former CU Buffaloes foundations. The first organization was created by CU Alum and current San Francisco 49er Hannibal Navies along with CU Alum Rashidi Barnes. The Hannibal Navies Foundation (HNF) is committed to the mental and psychical development of high school student athletes with in the San Francisco Bay Area. Through use of an annual football camp and the annual awarding of two collegiate academic scholarships, HNF has continued to show its commitment to the development of its community, for more than 4 years and through thousands of camp participants. In partnership with the NFL, HNF will also provide a Life Skills program that will touch the lives of more than 200 local teens in 2007.

The BUFFS 4 Life Foundation was created as a way for former Buffs to assist other Buffs in a time of need, receiving emotional and monitory donations. The 2007 recipient of the Buff 4 Life award went to former CU Quarterback John Hessler.

BUFFS 4 Life has re-energized crucial partnerships made up of former buffs and the local Boulder/Denver business communities to not only better the lives of former CU athletes, but also creating a better support network for the CU family. The foundation also works with local women's shelters to help provide toys to less fortunate children during the holidays.

This charity golf event will mark another milestone for the University of Colorado and its family. Your participation is greatly appreciated!

Best regards,  
"Running with the Buffaloes" Golf Committee
