A NOTE FROM CU HEAD COACH ROY EDWARDS...

Dear Parents and Campers,

My staff and I are looking forward to spending time with your son or daughter at the 2007 University of Colorado Golf Camp.

We have assembled a great staff this summer and are very excited about each one of our camps. We will have a very high counselor to camper ratio. We guarantee a quality golf instruction experience. Many other items will be provided to each camper that they will be able to use long after their experience in Boulder with our golf team. We are proud to announce that campers and staff of the elite camp will be lodged at the Boulder Outlook Hotel and Suites.

Our camps are designed and intended to enhance your son or daughter's attitude towards golf, college, and life. We look forward to seeing you in June. Go Buffs!

CAMP INFORMATION

ELITE CAMP (JULY 27-29)

The ELITE CAMP is focused on the tournament player for boys only ages 12-18. Enrollment is extremely limited! We guarantee a counselor to camper ratio of at least 6 to 1. The camp will be set-up similar to major college golf practices. Each camper will be put in a competitive environment with the staff and members of the CU Golf Teams. Topics covered will be physical and mental golf instruction, college preparation, study skills, and time management for the competitive golfer. Accommodations will be consistent with the experience given to our student-athletes during team travel. Great meals will be served. All golf will be played at the courses used by the University of Colorado Golf Teams. The resident option is strongly encouraged due to the short duration and concentrated schedule of the camp.

INSURANCE AND MEDICAL INFORMATION

Each camper will be partially covered under a group accident insurance policy. A medical waiver will be sent along with the confirmation letter after receipt of application. Along with the medical waiver, a copy of each participant's most recent physical examination will be necessary by check-in.
