You change lives.

The Coronado Area Council serves over 3,000 youth across 32 counties in North Central and Northwestern Kansas.

For over 100 years Scouting has provided young men a safe environment to

learn and to grow. For many, Scouting serves as their first experience with the outdoors.

This is made possible through the support of the nearly 2,500 volunteers who give their time, talent, and treasure in order to keep Kansas a great place to live.

Your Charge.

The Coronado Area Council is placing a challenge before each of the 32 counties who have seen first-hand the benefit of Scouting in their communities.

Sponsor at least one team, at one of the three levels to represent your county in the 2015 Sport Shoot for Scouting.

Also, can you provide at least one item to be placed in the auction that is unique to your county?

“No organization is more important to the future of the shooting sports we love than the Boy Scouts of America”

~ Dr. Mark Bell, Event Chairman
