## NON-REGULAR CLASS DESCRIPTIONS:

The WILD CARD NOVICE, OPEN AND UTILITY Classes are for any dog that is capable of performing the Obedience exercises and that is eligible under the **Obedience Regulations** to compete in AKC events. No title is required to enter and handlers may enter more than one dog. Dogs in these classes maybe handled by the owner or any other person, and may be entered in another class or classes. The Novice, Open, and Utility exercises will be performed and judged as in the regular classes except that verbal praise during the exercises is to be encouraged and not penalized. (Good, yes, nice, super, great, attaboy, are some examples of praise that would be allowed.) Handlers may give additional commands, but they will be penalized accordingly. Each handler may choose to select one exercise as a wild card. The exhibitor will have the option of performing the selected wild card exercise, but will receive the full point value regardless of how the dog performs. When checking in, the handler must inform the steward or judge which exercise will be used as the wild card. The exercises will be performed in the same order as the regular A classes. The point values for the exercises, scoring, and maximum total points are the same as the regular Obedience Classes.
