2010 GOBLE FAMILY REUNION POSTPONED

We were so sorry to have to cancel the 2010 Goble Association Family Reunion. We would like to try it again in 2011. We are looking at either Reno or Las Vegas in hopes that we will have enough interest to warrant holding the event. The weekend of June 17-19, 2011 is late enough that school will be out, but a little earlier and, hopefully, a little cooler in June. Please let us know when you send in your dues which you would prefer and if you will be able to join us.

LETTER FROM A COUSIN!

Hi

We just wanted to let you know how disappointed we were that the reunion in Portland was canceled. However, since we had already made our plans, Jon and I decided to take our vacation up there anyway, along with going to Olympia, WA and up the Hood Canal to Sequim, Port Angeles, Port Townsend and also into some of the Olympic National Park.

We had a great time and the weather was perfect every place we went. Olympia had some rain but very little and not enough to dampen us or our spirits. Of course, I love that area in Washington because I was born there, in Seattle, many years ago. When we returned to the Portland area, Jon's sister and daughter joined us for 3 days. We spent some time at McMenamins, enjoyed a free concert in the park under the shade trees, toured the little town of Troutdale and took them on the scenic drive toward the Dulles and Hood River where there are numerous waterfalls.

We also made it to Goble and checked out the newly restored Goble Tavern. I couldn't believe it was the same place we had seen before. They kept it as close to the

original as they possibly could and did a great job. Everyone there was very friendly and the bartender commented that many Gobles from different areas have stopped by and checked out the Tavern. We also had a nice lunch and drink while we were there! Anyway, we had a wonderful vacation and I was very sad when we had to finely pack up for the last time and return home to reality, (and the heat).

Well, as I said before, I'm sorry the reunion plans didn't pan out, but if you've never been to the Oregon, Washington area, I hope one day you'll be able to make it there. It'll be well worth it. Hopefully we'll meet again at the next Goble reunion, wherever that may be. Take care and be safe

GOBLE COUSINS ELECTED TO OFFICES IN DAR AND SAR

J. Stephen Hurst and **Barbara Goble Volker** have been elected to state offices in the California Societies of Sons of the American Revolution and Daughters of the American Revolution.

Steve has been a member of the George Patton Chapter of SAR since 2002, having served as both Chapter President and Vice President. He has served the California Society SAR as Registrar and is currently **California Vice President South**.

In 2013 he will take office as President of California SAR. Steve joined SAR through Daniel Goble (6). Sadly that line has been closed by both DAR and SAR pending better proof of his service. His son, also Daniel (7), who served in the War of 1812, married Eunice Pound, grand daughter of another Revolutionary War patriot, John Pound. So the members of the Wabash Valley Goble line still have prospects for membership in the SAR and DAR. He says that proof of the younger Daniel's service in the Ohio militia in the War of 1812 is as good as gold, making his descendants eligible for membership in the General Society of the War of 1812. Steve also serves as Secretary of that organization's California Society. Here are some useful websites: <http://www.sar.org/> and <http://www.societyofthewarof1812.org/states.htm>

Barbara has been a member of the Fresno-Yosemite Chapter of DAR since 1999, having served as both Chapter Registrar and Regent. She has served California DAR as Northern Council Manager, District Director and Chairman of the 2009 State Conference. She is currently **Chaplain of the California State Society DAR**. She joined DAR through Benjamin Goble (6), brother to Steve's Daniel (6). In addition, she has supplemental memberships

through Charles Pennington, Phillip Crowder, Enoch Smith and his father Henry Smith, and Thomas Jamison, Sr. All of these men are connected to the Goble family in one way or another. She is happy to help anyone interested in membership. Go to <http://www.dar.org/> for information. (Thomas Goble Tree)

after completing his Eagle project and an array of merit badges (including Genealogy).

His Eagle project involved the construction of two brick paver patios at his church, SS John and Paul Parish, Washington, MI. The patios are part of the church's outdoor pavilion used for outdoor Masses and social events such as the parish's annual picnic. Family members, friends and fellow Scouts assisted in the project. Eric was a leader in his church youth group during his senior year.

He has also been an umpire for softball games in the Rochester-area youth leagues.

Eric has been accepted as a member of the freshman class at Northwestern University, Evanston, IL, where he plans to double-major in English and economics, with a minor in mathematics. And he says, "I am looking forward to going to college this fall and can not wait to start this new chapter in my life."

His family includes two sisters, Stephanie and Tricia, who will be a junior and sophomore respectively at Stoney Creek High School this fall. Eric's grandparents are Steve and Colleen Francis of Ortonville, MI, and Corban and Harriet Goble of Bowling Green, KY. (*Southern Goble Tree*)
