

Canal Coalition promotes National Heritage Corridor

In 1991, the Ohio and Erie Canal Corridor Coalition (OECCC) approved the extension of the Ohio and Erie Canal Corridor to Camp Tuscazoar. This recreational corridor now extends from Lake Erie to Camp Tuscazoar, a distance of about 70 miles.

Recently, legislation has been brought before the Senate and House of Representatives that would classify this area as the nation's fourth National Heritage Corridor.

The OECCC, in cooperation with the North Cuyahoga Valley Corridor, Inc. has prepared materials that discuss this legislation and its impact in detail. These materials will be available during Dover Dam Weekend or can be obtained by writing to: Ohio & Erie Canal Corridor Coalition; 234 Ferndale St.; Akron, OH; 44303-1016.

Dover Dam Weekend campfire program to salute Troop 5 Cabin

A special salute to the recently restored Troop 5 Cabin is being prepared for the Saturday evening campfire program at the seventh annual Dover Dam Weekend at Camp Tuscazoar. The program will be part of an exciting weekend of pioneer activities scheduled for May 6-8.

Kevin Powell, a former Tuscazoar staff member and Foundation trustee, isn't revealing details about the campfire program he has planned, but he promises that it will be both entertaining and inspirational. Don't miss it!

Other weekend activities will include tours of Dover Dam, a frontier covered wagon, hikes to the Zoarite iron mines, a steam engine demonstration, an afternoon vesper service at Pioneer Point and other possible surprises. The cost is \$5 per person, which includes a commemorative patch and dinner Saturday evening in the camp dining hall.

A special canoeing package is also available to Dover Dam Weekend campers for an additional fee through the NTR Canoe Liveries Inc. in Bolivar. Groups planning to canoe on Saturday should provide advance notice to the Foundation.

The event is open to all area youth organizations, and campsites are still available. Groups are also welcome to attend on Saturday only, however all Saturday guests MUST register at Duryee Lodge after entering camp.

For camping reservations, canoeing reservations or more information, contact the camp ranger at 216-859-2288.

First annual Golf Outing scheduled for August 27

The Camp Tuscazoar Foundation has scheduled its first golf open fundraiser for August 27 at the Zoar Village Golf Course in Zoar. The event will be named "The Richard C. Schoenbaum Golf Open" in honor of former Foundation president Dick Schoenbaum, who passed away unexpectedly in December.

The \$50 per person entrance fee will include an 18-hole, four-man scramble, use of a golf cart, games, prizes, giveaways and an evening dinner at the Camp Tuscazoar Dining Hall. One hole will be designated for a new-car giveaway. The first golfer landing a hole-in-one on this chosen hole will win a new car.

Proceeds from the event will be used for needed improvements and maintenance at Camp Tuscazoar.

The Foundation is currently seeking sponsors for the holes along the course for a \$100 fee. The company name and/or logo would be featured at the hole and would be used in the program to be distributed to all participants the day of the event.

Also, the Foundation is encouraging golfers to form their own four-man teams when registering for the event. However, single golfers are welcome as well, and will be assigned to a foursome the day of the event.

Please complete and send in the form at right to register for Golf Open. The deadline for registration is July 15. If you would like additional information, or if you would like to sponsor a hole at the event, please contact Camp Tuscazoar at 216-859-2288 or contact Ted Novak at 216-478-2511.

The Historic Land of Tuscazoar

by David Tschantz

(The 4th of a Series)

Part Four: The Industrialists Invest

Having completed their mining operations, the Zoarites sold all of the land they owned within Tuscazoar's borders beginning in 1853. The last tract of Tuscazoar land was sold in 1864.

This land was sold to various individuals. The bulk of it, including the northeast quarter, the west half of the southeast quarter, and the east half of the southwest quarter, all in Section 6 was sold in 1857 to William Green, Jr. an industrialist from Brooklyn, New York.

Previous to this, in 1853, the Separatists had sold the northwest quarter of Section 15 to George Deardorff and in 1863 and 1864 sold the southwest quarter of Section 4 and the north half of the northwest quarter of Section 7 to, respectively, George Stoodly and a partnership formed by David Rhodes, and Jonathon Card of Cuyahoga County and David Miller of Tuscarawas County.

Also in 1864 Mssrs. Rhodes, Car Miller acquired the southwest quarter Section 4 from George Stoodly. Previous to this in 1850 a partnership between David Rhodes, James For Summit County and David Tod of Trumbull County acquired Lot 31 (formerly Section 31) in Dover Township from the Clarke family.

It is worth noting that David Tod, a prominent Mahoning Valley industrialist, later became governor of Ohio. The partnership in 1857 sold this land to Rhodes' new partnership. In 1865 all land acquired by this partnership was transferred to the Tuscarawas Coal and Iron Company.

Also busy acquiring land during this period was the Dover Iron Co. In 1859 it purchased the northeast quarter, the west half of the

southeast quarter and the southwest quarter of Section 6 from William Green, Jr. and the northwest quarter of Section 15 from George Deardorff. Mr. Green had, in 1858, obtained the west half of the southwest quarter of Section 6 from Castle and Shriver, a partnership which had purchased the property from the Cordrey family.

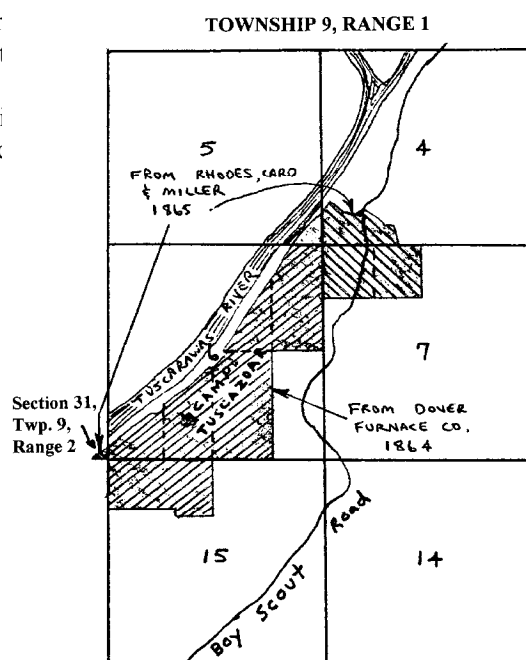

In 1864 the Dover Iron Co. sold all its property to the Dover Furnace Co. which, in 1865, sold all its property to the Tuscarawas Coal and Iron Co.

Thus, by 1865, the end of the Civil War, what was to become the camp was firmly in the hands of the Tuscarawas Coal and Iron Co., a leading 19th Century Tuscarawas County industry led by its president, David Rhodes.

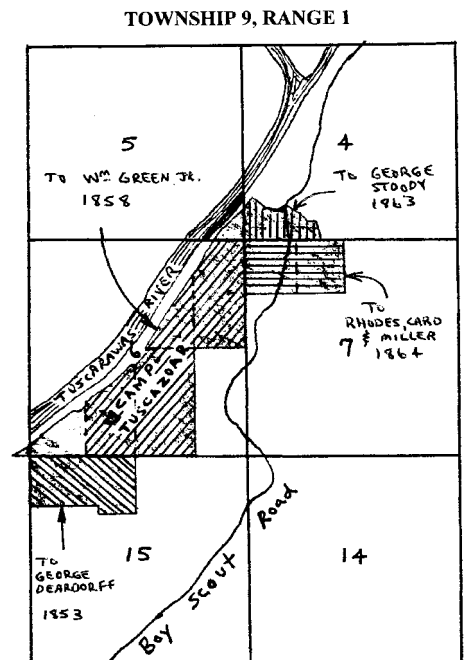

(Next: George Markley and the McKinley Council, BSA)

David Tod, Governor of Ohio from January, 1862 to January, 1864, briefly owned a portion of the present-day Camp Tuscazoar property.

Items of interest:

Tuscazoar has been chosen to host upcoming **Girl Scout and Cub Day Camps**. These summer events will introduce many new campers to outdoor experiences at Tuscazoar.

Repairs continue to the ceiling and the electrical wiring in **Hoover Lodge**. In addition, a duct has been installed to supply heat to the kitchen area. The Busy Beavers have also improved the interior of **Jamboree Lodge**. The walls and ceiling in the kitchen have been finished. Thanks to the Busy Beavers for their ongoing efforts.

Enchanted Tuscazoar will be held Oct. 22-23 at the camp. Mark your calendars and watch for information in upcoming *Breeze* issues.

Coming Events:

April 16	Camp Workday
May 1	CTF Board Meeting
May 6-8	Dover Dam Weekend
May 14	Camp Workday
June 5	CTF Board Meeting
June 18	Camp Workday

Units gather in central camp for the traditional flag-raising ceremony prior to the 1994 Gold Rush Competition.

Units brave snow for Gold Rush fun

More than 20 patrols competed in Tuscazoar's sixth annual Gold Rush Competition in February. Top finishers in the Senior Division were: Troop 88 Fox patrol, first place; Troop 575 Sepultra Patrol, second place; and Troop 94 Scorpions, third place. In the Junior Division, the Knights of Troop 575 finished first, the Nighthawk patrol from Troop 935 finished second, and the Beaver patrol of Troop 150 finished third. In the Cub Division, Troop 244's Cobra patrol finished first.
