Boost your business productivity with highly versatile multifunctional features

The MC361dn A4 desktop colour multifunction product (MFP) brings professional, high quality colour printing, scanning, copying and faxing right to the heart of your business.

The impressive speeds, combined with an intuitive easy-to-use control panel bring a new level of professional document output to busy workgroups, executives or professional home use, providing a whole office of equipment in a single, reliable, compact and ergonomic device.

Enhanced document throughput and quality

The MC361dn has been designed to perform, with fast print and fax speeds, keeping office productivity to a maximum. With outstanding, consistent colour output and a high level of media flexibility you can now create compelling marketing material and business documents in-house.

- Advanced digital LED technology for sharper, clearer quality

- Scanning/copying/faxing double-sided documents is quick and easy using the 50-sheet RADF

- Print speeds of up to 24ppm and rapid first page to print of 8.5 seconds

- Send and receive fax documents at high speed with Super G3 capability

- ProQ2400 multi-level output quality, up to 1200 x 600dpi print resolution

- Flexible media handling: from A6 to 1200mm banners; card stock up to 220gsm

Outstanding features for improved ease-of-use

The MC361dn has many outstanding features to improve user experience in your workplace by providing convenient and time saving functions.

- Easy to use operator panel with large graphical display

- Print directly from/or scan to USB stick via front USB port for your convenience

- Simple scanning to email, network PC or USB, saves time

- Ergonomic design, saving space and bringing document handling closer to the workgroup

Providing energy savings across your business

The integration of several office devices into one MFP reduces energy consumption, as well as capital outlay and on-going costs. Unique, built-in energy saving features will help cut your carbon footprint.

- ECO mode automatically adjusts energy consumption, saving costs and conserving resources

- Deep Sleep mode saves you money by reducing energy consumption to less than 1.5W

- Duplex printing, scanning and copying reduces paper and energy usage

### Control and document management

The MC361dn comes with a set of in-the-box software utilities providing even more added value. These can help you control your print usage, user access rights, streamline your document handling and assist with file sharing or archiving.

- Nuance PaperPort converts hardcopy into digital content

- Nuance OmniPage converts documents into editable electronic files

- Colour Access Policy Manager (CAPM) software to control and monitor user access rights

- PrintSuperVision software lets you track usage and monitor your printers centrally

- Print Control allows simple management of usage and costs

Technology that you can rely upon

The MC361dn is built on tried and tested digital LED technology that has delivered reliable and high quality printing for over 20 years.

- Durable components and robust design

- 3-year on-site warranty protects your investment
