November 26, 2007

Dear Community Member,

It is such an honor to live, work and raise our children in the community of Chillicothe and Ross County. It is a place where truly all things are possible. Strong traditions, a rich history, and the celebration of family are some of the reasons our area is such a fabulous place to call home.

Junior Civic League would like to honor Chillicothe and Ross County by compiling our stories, our traditions and our family histories into a cookbook to be preserved for all time. In order to do this we need everyone's help. Tell us your story and provide us with your recipes. We want to know: How did your family get to Chillicothe or Ross County? Whether you are 1st generation or 5th generation we want to hear what landed you in this wonderful place.

We appreciate your time and help with this project. The cookbook will be available for sale in October of 2008. Our deadline for stories and recipes will be March 15th, 2008. So as you gather with your family this holiday season, jot down your favorite recipes and your history so it can be documented and cherished for generations to come.

Thank you and have a wonderful Holiday Season.
